

## **DLR Voices Presents Lucy Caldwell & Elizabeth Day**

Lucy Caldwell's *The Meeting Point*, is a passionate and sensitive exploration of the lies that make family life possible and the compromises contained in every expression of love. It was recently featured on BBC Radio 4's *Book at Bedtime*.

Elizabeth Day's *Scissors Paper Stone* is a hugely accomplished debut that looks at the power struggles that exist between a mother, father and their daughter. It's disturbing and yet brilliantly observed and is sure to give book groups lots to talk about.
