ABOUT ENSEMBLE WORKSHOP

**Do you want to play in a band?
Are you playing in a band but want to
learn how to make your band sound
better and become more creative?
Then this may be something for you!**

We are starting a 10-week course teaching the basics of group playing. The course will help young musicians to become more confident and expressive while playing in a band and will also help them to understand their role(s) within the musical situation they are in. The musicians will learn about a variety of aspects, starting from basic groove, tempo, rhythm, phrasing and timbre (as it relates to the overall sound of a band). The course will help participants to develop a clearer picture on how to develop musical ideas and how to apply them to creating songs. Musicians will then have the chance to record at the end of the course.

Applicants need to be between 12 and 18 years of age and have good experience of playing a musical instrument.

**This course will benefit young
musicians of all music tastes.**

WHEN, WHERE, HOW.

The two courses will take place on Thursday evenings from 5.30pm - 7pm and from 7.30pm - 9pm in The Grainstore dlr Youth Arts Facility, Cabinteely Park.
