Internet use by Young People (Age 12 – 17)

Libraries in Dún Laoghaire-Rathdown County have a number of computers with access to the Internet, which may be used by Young People.

What can they be used for?

Sites on the Internet contain much useful information for schoolwork, hobbies and general interest.

Is there a booking system?

Yes. Computers may be booked for a 50-minute session. Young people need to be registered with the Library for use of the Internet.

How do I register?

Bring the form below to the library on your next visit. **The form must be signed by parent/guardian in the presence of a member of the library service.**
