R118 / Wyattville Dual Carriageway, Cherrywood ****

The delivery of the Cherrywood Strategic Development Zone will involve significant construction works over the **next 18 months** in the Cherrywood area. The first phase of infrastructure provision for the Cherrywood Strategic Development Zone will be delivered by JCL the joint venture between John Cradock Ltd. / Jons Civil Engineering.

Major road works began on the Wyattville Dual Carriageway between M50 Junction 16 and the N11 at Cherrywood, on 9th February 2017 and will continue for the remainder of the year. The primary focus of this phase of the infrastructure works is the upgrade of the Wyattville Roundabout to a signalised junction, and upgrade of Tullyvale Road, involving road construction, road drainage, public lighting, provision of utilities, etc.

Traffic restrictions will be in place for the duration and delays can be expected. It is intended to retain two lanes of traffic inbound and outbound.

Please note that Pay and Display parking on Tullyvale Road will cease permanently from 1st February 2017, however, Pay and Display parking is available adjacent to the Brides Glen Luas stop, on Cherrywood Avenue Extension.

From the 24th April 2017, traffic shall be reduced to 1 lane in both directions on the R118 Wyattville Link Rd between the N11 and M50 from 10am and 4pm daily. This is to facilitate the installation of new service crossings across the R118 Wyattville Link Road in multiple locations. This shall be continued daily for approximately 6 weeks.

From the 24th April 2017, it is also intended to install barriers to the median of the R118 Wyattville Link Rd (between the M50 and Cherrywood Roundabout) to facilitate works in the median. This shall stay in place for approximately 8 weeks. Two lanes shall be maintained.
