R118 / Wyattville Dual Carriageway, Cherrywood ****

The delivery of the Cherrywood Strategic Development Zone will involve significant construction works over the **next 8 months** in the Cherrywood area.

The first phase of infrastructure provision for the Cherrywood Strategic Development Zone will be delivered by JCL the joint venture between John Cradock Ltd. / Jons Civil Engineering.

Major road works began on the Wyattville Dual Carriageway between M50 Junction 16 and the N11 at Cherrywood, on 9th February 2017 and will continue for the remainder of the year. The primary focus of this phase of the infrastructure works is the upgrade of the Wyattville Roundabout to a signalised junction, and upgrade of Tullyvale Road, involving road construction, road drainage, public lighting, provision of utilities, etc.

Traffic restrictions will be in place for the duration and delays can be expected. It is intended to retain two lanes of traffic inbound and outbound.

Please note that Pay and Display parking on Tullyvale Road will cease permanently from 1st February 2017, however, Pay and Display parking is available adjacent to the Brides Glen Luas stop, on Cherrywood Avenue Extension.

From the 24th April 2017, traffic shall be reduced to 1 lane in both directions on the R118 Wyattville Link Rd between the N11 and M50 from 10am and 4pm daily. This is to facilitate the installation of new service crossings across the R118 Wyattville Link Road in multiple locations.

From the 24th April 2017, it is also intended to install barriers to the median of the R118 Wyattville Link Rd (between the M50 and Cherrywood Roundabout) to facilitate works in the median.

Frascati Shopping Centre Extension ***

Right Turn into Shopping Centre from City Centre - Closed

Straight Ahead into Shopping Centre from Rock Hill - Closed

In order to facilitate the on-going extension works at Frascati Shopping Centre the existing right turn lane, on the outbound carriageway from the City Centre and the existing straight ahead movement from Rock Hill into Frascati Shopping Centre will be closed temporarily.

The temporary closures of the right hand turning lane and straight ahead movement from Rock Hill are to facilitate the on-going construction process for the new underground car park. A one-way traffic management system will be implemented on site to facilitate the works. Car park attendants will be deployed at peak times within the shopping centre to ensure that shopping centre traffic operates smoothly during the period of the development works.

A Traffic Management Plan will be in operation for the duration of the works. Diversions will be in place to direct traffic towards the shopping centre entrance at the end of George's Avenue.
