ROAD CLOSURES

Section 75, Roads Act 1993 Temporary Closure of Roadways to Facilitate the Airtricity Dublin City Marathon 2017

Dún Laoghaire-Rathdown County Council has made an order to temporarily close the following roads within the Dún Laoghaire-Rathdown County Council's Administrative area on: **Sunday, 29th October 2017 from 9.00am to 5pm.**

Full Closure:-

Roebuck Road – From the junction of Goatstown Road to the junction with Mount Anville Road.

Local Access, during the closure of Roebuck Road, will be provided by allowing continuous access into Ardilea/Louvain Estate from the Mount Anville Road direction and egress via Harlech Grove to Goatstown Road.

Partial Closures:

Clonskeagh Road – Road open to traffic travelling from Bird Avenue direction, in a city-bound direction.

Roebuck Road – From the junction of Goatstown Road to the junction with Bird Avenue – Road open to traffic travelling in a city bound direction.

Foster's Avenue – Road open to traffic travelling from the N11 direction towards Mount Anville Road.

Stillorgan Road (R118 Dual Carriageway)

Bus Lane closed from junction with Foster's Avenue to the UCD flyover, and UCD flyover to the County boundary. Roadway open to normal traffic in both directions.

The purpose of the closure is to facilitate the running of the Dublin City Marathon 2017 on **Sunday, 29th October 2017.**

The roadways, within the Dún Laoghaire-Rathdown County Council's administrative area will be temporarily closed from **9.00am to 5pm.** to facilitate the marathon and to allow sufficient time for a clean-up before re-opening to traffic.

Manning of the full and partial road closures and the diversion of traffic will be under the control of the Gardaí and race organisers and will be clearly signposted.

Section 75 of the Roads Act 1993

Extension to Temporary Closure of Kelly's Avenue, Dún Laoghaire

Dún Laoghaire-Rathdown County Council has received an application from John Sisk and Sons (Holdings) Ltd), Wilton Works, Naas Road, Dublin 22 to extend the period of temporary closure of Kelly's Avenue, Dún Laoghaire from its junction with George's Place to its junction with Crofton Road to through traffic from **Monday 16th October, 2017 to Friday 10th November, 2017.**

The purpose of the closure is to make a new drainage connection for the new Rapid Delivery housing development at George's Place, Dún Laoghaire.

A Traffic Management Plan will be in place and the diversion routes will be clearly signposted.

Local Access will be maintained at all times.

Section 75, Roads Act 1993

Temporary Closure of St. Fintan's Park, Deansgrange

St. Fintan's Park will be closed in two sections. The first road closure section is from the westernmost bend in St. Fintan's Park (where the road turns north) until the beginning of the green area in St. Fintan's Park. This closure is proposed from 9.00 to 5.00pm each day from **Tuesday the 31/10/17 to Friday the 28/11/17.**

The second road closure section will be from the end of the green area until the junction St. Fintan's Park with Abbey Court. This closure is proposed from 9.00 to 5.00pm each day from Wednesday the **03/01/18 to Friday the 02/02/18.**

Pedestrian and local access will be maintained at all times. The proposed diversion routes will be via Abbey Road and Deansgrange Road. A traffic and pedestrian management plan will be in place and diversions will be clearly signposted.

The purpose of the closure is to make a foul and surface water connection for the new housing development on Abbey Road.

R118 / Wyattville Dual Carriageway, Cherrywood ****

The delivery of the Cherrywood Strategic Development Zone will involve significant construction works over the **next 7 months** in the Cherrywood area.

The first phase of infrastructure provision for the Cherrywood Strategic Development Zone will be delivered by JCL, the joint venture between John Cradock Ltd. / Jons Civil Engineering.

Major road works began on the Wyattville Dual Carriageway between M50 Junction 16 and the N11 at Cherrywood, on 9th February 2017 and will continue until March 2018. The primary focus of this phase of the infrastructure works is the upgrade of the Wyattville Roundabout to a large signalised junction, and upgrade of Tullyvale Road to a multi-lane dual carriageway, involving road construction, road drainage, traffic signals, public lighting, provision of utilities, etc.

Traffic restrictions will be in place for the duration and delays can be expected.

It is intended to retain two lanes of traffic inbound and outbound at peak times. During off-peak times from 10am to 4pm on intermittent days, traffic shall be reduced to 1 lane in both directions on the R118 Wyattville Link Road between the N11 and M50 in order to facilitate various new service road crossings and construction of various tie-in sections to the new junction arrangement. Barriers will remain in place around the junction and in the medians to facilitate works in all areas around the junction.

Please note that Pay and Display parking on Tullyvale Road will cease permanently from 1st February 2017, however, Pay and Display parking is available adjacent to the Brides Glen Luas stop, on Cherrywood Avenue Extension.

Luas users are advised that vehicle drop-offs or collections on Tullyvale Road for the Cherrywood Luas stop are restricted during construction works, and drivers are advised to use the Brides Glen Luas stop for drop-offs and collections.

The scheme involves the upgrade of Wyattville Road between Wyattville Close and Churchview Road and is expected to continue until **May 2018**.

A Traffic Management Plan will be in operation for the duration of the works.

Frascati Shopping Centre Extension ***

Right Turn into Shopping Centre from City Centre - Closed

Straight Ahead into Shopping Centre from Rock Hill - Closed

In order to facilitate the on-going extension works at Frascati Shopping Centre the existing right turn lane, on the outbound carriageway from the City Centre and the existing straight ahead movement from Rock Hill into Frascati Shopping Centre will be closed temporarily.

The temporary closures of the right hand turning lane and straight ahead movement from Rock Hill are to facilitate the on-going construction process for the new underground car park. A one-way traffic management system will be implemented on site to facilitate the works. Car park attendants will be deployed at peak times within the shopping centre to ensure that shopping centre traffic operates smoothly during the period of the development works.

A Traffic Management Plan will be in operation for the duration of the works. Diversions will be in place to direct traffic towards the shopping centre entrance at the end of George's Avenue.
