### 'A Winter Wonderland' – Print Making Workshop

Saturday 16 December

age 5-7, 10.30am-12pm

age 8-11, 1.00-2.30pm

With a fantastic seasonal theme, come ready for the adventure of print making! Try out different print techniques, creating striking artworks and unique decorations with artist Tunde Toth.

### Start with Art at dlr Lexicon Gallery!

Thursday 28 December

11am-11.45pm & 12.15-1pm

Project Room

*These are family workshops, so no age restrictions apply, however children under 7 will need to bring an adult along for the spin!* In response to our **Arrival** theme, artist Lucy Hill will create a variety of materials (paper, glue, shiny things!) & process-based (paint, print, draw and build) 'stations' for the whole family to travel around and through. Make stops to explore, play and discover, spend as much or as little time as you wish at each station to arrive at your own artistic destinations!

### Paint, Print, Draw!

Come join us and explore something new and fun in a relaxing environment.

These adult workshops in three key artforms are suitable for all levels.

### The art of colour and composition through paint

Wednesday 10 January, 6.15-8.15pm

Project Room

Join artist Mairead O' hEocha as she discusses colour and composition within her own work and sets about a workshop in the practical application of these elements through acrylic paint. *Some experience in painting recommended but not essential.*

### Explore line and texture with print

Wednesday 17 January, 6.15-8.15pm

Project Room

Reflecting on the use of print throughout the exhibition, artist Emma Finucane will provide an opportunity to take inspiration from the artworks to look at texture, line and colour through experimentation with different print making techniques including dry point.

### Experimental Drawing + Still Life

Saturday 20 January, 10.30am-4.30pm

Project Room

Kiera O'Toole will guide you through an exploration of the notion of **Arrival** within an image. Still life drawing is a great way to expand your drawing and observational skills. Explore the still life in a relaxed and supported environment, through wet and dry media.

### Azure Tours

Monday 8 January, 11.30am-1pm
