

House Purchase Loans

Loans issued by the Council under the House Purchase Loan and Shared Ownership Schemes are administered by the Revenue (Loans) Section of the Housing Department. This includes the calculation, review and collection of Council mortgage repayments, processing requests for redemption of loans and mortgage protection insurance claims.

Notice to Customers in difficulty with their mortgage payments

If you are suffering financial difficulties which are affecting your ability to repay your mortgage you should contact the Housing Department without delay. Advice and/or assistance may be available to borrowers who are genuinely unable to meet full repayments.

A dedicated member of staff is available to discuss possible options available to you
