

# MARLAY DOG PARK, MARLAY DEMESNE

Marlay Dog Park is an enclosed dogs off leash area within Marlay Demesne and is the first of it's kind in the Dún Laoghaire Rathdown area.

The dog park is an enclosed, hedged area, within which dogs can be let off their leash. This gives dogs the freedom to run around at their own pace and also to interact socially with other dogs. Dogs off leash areas are becoming a common feature in public parks across the globe.

We have put together a set of conditions of use, which we hope will ensure safe enjoyment of the dog park by all users. These rules will be revised following a period of two to three months of use and feedback from users of the recently open dog park.
