ROADWORKS / LANE RESTRICTIONS

» **Coastal Mobility Interventions *****

DLR has prepared a plan to implement coastal mobility interventions to reallocate space to cyclists and pedestrians. Details of the scheme are available here: <https://www.dlrcoco.ie/en/news/general-news-press-releases/new-coastal-mobility-interventions-dlr>

To facilitate the measures the following vehicular restrictions are being put in place:

- **Seapoint Avenue One-Way** for vehicles from Newtown Avenue to Coal Quay Bridge/York Road Junction. Vehicles will travel west along this route (towards Blackrock).
- A small section of two-way road for vehicles will be provided from the West Pier Campus to Link Road (at the Purty Kitchen). This is to enable easy access to the homes and businesses, as there is **no Left turn** allowed from Clarence Street onto Seapoint Avenue.
- **Queen's Road will be One-Way** from Park Road junction (at the People's Park) to the entrance to the Lexicon Library and Pavilion car parks (westbound towards Dún Laoghaire).
- Queen's Road, at the Park Road junction, to Sandycove Avenue West will be one-way eastbound for vehicles, i.e. towards the Forty Foot.

Works are scheduled to commence on **Monday, 29th June 2020** and take approximately 4-5 weeks.

A Traffic Management Plan will be in place and diversion routes will be signed.

Blackrock Village Scheme – Covid 19 Public Realm Project ***

Richard Nolan Civil Engineering Ltd. have been appointed by Dún Laoghaire-Rathdown County Council to undertake the **One-Way Scheme** along **Rock Hill and Main Street** in Blackrock village as part of Covid-19 temporary measures in the public realm in DLR. The scheme includes the temporary widening of footpaths and installation of a contra flow cycle lane to facilitate social distancing measures within the Blackrock Village. The works will be carried out in two phases as follows:

Phase 1: Commence site works on Monday, 8th June 2020:

- Install one-way system using a system of black pencil bollards, carry out changes to traffic signals and install new traffic signage, complete line marking.
- Remove any redundant signage and remove or reposition any existing street furniture to optimize available space.

Phase 2: Commence site works on Monday, 29th June 2020:

- Install 'narrow lane defender' separators between one-way traffic lane and reallocated space on both sides of Rock Hill/Main Street.
- Install anti-skid on reallocated space.
- Complete remaining line marking.
- Install planters and street furniture.

A Traffic Management Plan with a one-way system will be in place and diversion routes clearly signposted.

- Close off Left lane from Frascati Road to Carysfort Avenue with cones and barriers to be positioned along kerb edge for Phase 1 works. Following completion of works in Left lane, Traffic Management will swap over to Right hand lane.
- Permanent Traffic lights at Bath Place will be adjusted for one-way system.
- Works will be undertaken during the hours of 08:00 and 23:00 hrs.
- Advance notice of diversion routes will be clearly sign posted on all approaches to Blackrock Village.
