Planning Authority: Dún Laoghaire-Rathdown County Council

Amendment to Cherrywood SDZ Planning Scheme, 2014

WHEREAS on the 25th day of April, 2014, An Bord Pleanála decided, under section 169(7) of the Planning and Development Act, 2000, to approve the making of the Cherrywood Strategic Development Zone Planning Scheme, and this scheme was subsequently published by Dún Laoghaire-Rathdown County Council:

AND WHEREAS on the 25th day of October, 2019, Dún Laoghaire-Rathdown County Council applied to An Bord Pleanála to make an amendment, as set out in the document entitled “Proposed Amendment to Cherrywood Planning Scheme - Section 4.2.10”, to the Cherrywood SDZ Planning Scheme, 2014:

AND WHEREAS, in arriving at its decision, the Board had regard to –

- the planning history of the Cherrywood SDZ Planning Scheme approved by An Bord Pleanála on the 25th day of April 2014, and to the overall scope and objectives of the approved planning scheme,

- the nature of the proposed amendments which follow from updated Ministerial Planning Guidelines (made under section 28 of the Planning and Development Act 2000, as amended), in relation to residential development standards for car parking, and
- the report of the Inspector:

NOW THEREFORE An Bord Pleanála decided, under the provisions of section 170(A) of the Planning and Development Act, 2000, as amended, to **APPROVE** the making of the proposed amendments to the planning scheme based on the reasons and considerations set out below.

Reasons and Considerations

The Board considered that the proposed amendments satisfy the criteria of section 170A(3)(b) of the Planning and Development Act 2000, as amended, are minor and therefore would not be of such a nature as to affect the overall scope of the scheme or require a more fundamental review procedure to be followed.

Accordingly, having regard to the overall provisions of Section 170A of the 2000 Act, the proposed amendments would not be material, given the limited potential to impact on the overall scheme objectives or the character of the overall Cherrywood Planning Scheme area.

The Board adopted the screening assessment carried out by the Inspector in relation to the requirement for Strategic Environmental Assessment (SEA) and Appropriate Assessment (AA). The Board agreed with his conclusion that the need for SEA or AA does not arise, owing to the limited nature of the proposed amendments and the scope of the original SEA and AA procedures already completed for the adopted scheme.

Matters Considered

In making its decision, the Board had regard to those matters to which, by virtue of the Planning and Development Acts and Regulations made thereunder, it was required to have regard. Such matters included any submissions and observations received by it in accordance with statutory provisions.
