Wyattville Road

Quiet residential streets, wayfinding markings added

Shanganagh Road

Loughlingstown Drive

At the junction with Johnstown Road the existing junction will be used with segregated foot and cycleway which will link safely into Kilbogget Park. Here the route continues safely through the parks to Shanganagh Road.

At Shanganagh Road it is proposed to connect the facilities in the park to Achill Road. The route will follow the existing track along Shanganagh Road to the roundabout with Killiney Hill Road. This roundabout will be altered to include safe cycling and walking crossings. The route will continue through Bayview Estate to link to the coast.

**PARK TO PARK ROUTE**

- Quiet residential street, wayfinding markings added
- Use existing protected cycle and walking track parallel to Shanganagh Road
- Roundabout existing crossings which will be upgraded to allow cycle and pedestrian crossing
- Cyclists would use the parallel road to Killiney Hill to connect to Bayview Drive

**Use existing underpass to the coast**

- Quiet residential streets, wayfinding markings added
- Cycle track / Lane
- Safety Bollard
- Hatched protected space
- Wayfinding for Sea to Mountains route
- Wayfinding for Park to Park route
- Wayfinding for Mountains to Metals

---
