

ACORN

OUR MISSION

“We are dedicated to developing solutions which promote social inclusion, health and wellbeing for all.

We use intuitive design led by the direct insights and experiences of Irish users of varying expertise with new technology.

Our aim is Digital Citizenship for all through care, consideration and design excellence.”

*Philip Hogan
CEO / Founder
The Acorn Team*

“I feel very proud that I’ve come this far. This has been such a good experience, I now want to try other things”

Pat, Meath

*Chat with ACORN via our free download 'Acorn Companion' app.

“I have become so addicted to it, I’d miss it after half an hour. I never expected to become so reliant on it!”

Ita, Limerick

“I don’t feel like I’m on my own anymore. I can look up things for myself and be in contact with my family in seconds. Its very rewarding to do it for myself”

Margaret, Meath
