Dún Laoghaire-Rathdown Age Friendly Strategy 2021 – 2026

We are seeking the voices of Older People in the County as Dún Laoghaire-Rathdown County Council are preparing a new Age Friendly Strategy that will take us from 2021 to 2026.

In June 2013, Dún Laoghaire-Rathdown County Council signed the Dublin Declaration on Age Friendly Cities and Communities in Europe. This means that Dún Laoghaire-Rathdown is now committed to working towards becoming an Age Friendly County by creating an inclusive, equitable society in which older people can live full, active, valued and healthy lives. This local authority is affiliated to the WHO Global Network of Age Friendly Cities & Communities.

The publication of the Dún Laoghaire-Rathdown Age Friendly Strategy 2016 – 2020 and the establishment of the Age Friendly Alliance were the first steps towards delivering on that commitment. The Alliance is made up of key agencies in the County who are tasked with overseeing and progressing the Dún Laoghaire-Rathdown Age Friendly Strategy 2016-2020. The ultimate goal of this strategy being ‘to make dlr a great place in which to grow old’.

One of the key areas identified within this strategy was the need to hear the voice of older members of our County more clearly. You can view the Dún Laoghaire-Rathdown Age Friendly Strategy 2016 – 2020 and our Winter 2020 Age Friendly Magazine at <https://www.dlrcoco.ie/en/community/dlr-age-friendly-county>

We would very much appreciate it if you could take the time to fill out our questionnaire to inform us of the areas which affect your life in Dún Laoghaire-Rathdown and what can be done to bring about positive changes for Older People in the County over the next 5 years.

The opening ‘Participant Profile’ part of the questionnaire is a required section and there are 12 other sections to the questionnaire. You do not have to answer all of the questions – only the questions that you feel comfortable with and are relevant to you.
