Re: European Communities (Access to Information on the Environment) Regulations 2007 to 2011

**Request Dated:** 16th December 2021  
**Request Received:** 16th December 2021  
**Request Refined:** 23rd December 2021

**Our Ref: AIE/016/2021**

Dear [REDACTED]

I refer to the request that you made under the European Communities (Access to Information on the Environment) Regulations 2007 to 2011 for access to records relating to Municipal Services. The Council has decided to refuse your request for AIE under article 7(4) of the AIE Regulations. The records concerned do not exist. Please see attached legislation and document by way of explanation.

If you are dissatisfied with the decision made in this case, you may appeal the decision by writing to me at the address given above.

In the event, that it is necessary to undertake a review of the original decision made in this case, that review will be undertaken by Martin Allidine, Senior Executive Officer, Municipal Services. You must make your appeal within 4 weeks of receiving this letter (the making of a late appeal may be permitted in appropriate circumstances). The appeal will involve a complete reconsideration of the matter by that Officer who is a more senior member of Council staff.

Yours sincerely,

---
