About Choice Based Letting (CBL)

CBL is an online system that lets you express an interest in a range of residential properties within your area(s) of preference (areas of choice) that are suitable for the size of your household. The three preference areas in Dún Laoghaire-Rathdown are:

- Area 1 (South West of the M50)
- Area 2 (Between M50 and N11)
- Area 3 (North West of the N11)

This leaflet explains how to access and use the CBL system.

Please note that there is likely to be a lot of interest in some of these properties and we may not be able to offer you the property you would prefer.

Please note if you are successful in your expression of interest in a property on CBL but you do not accept this offer of accommodation, you will be deferred from expressing an interest on CBL for a period of 12 months.

Expressing your interest in a property

Add a property to your basket

To express your interest in a property, you have to add the property to your property 'basket'. To do this, click the  button at the top of your screen.

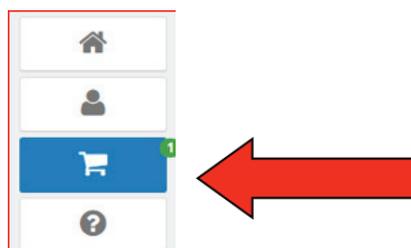

The system will show you how many properties are in your basket. In the example below, there is one property in your basket.

Please note that adding a property to your basket is not the same as submitting your interest in a property. To find out how to submit your expression of interest, please see the 'Submitting your expression of interest' section on page 11.

View the properties in your basket

Click the Property Basket button 

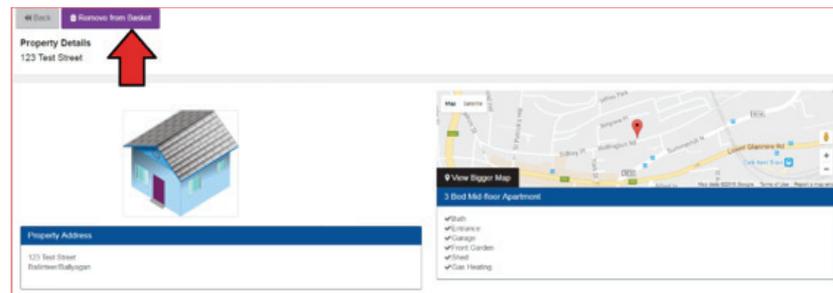

The system will show all the properties that you have added to your property basket.

Remove a property from your basket

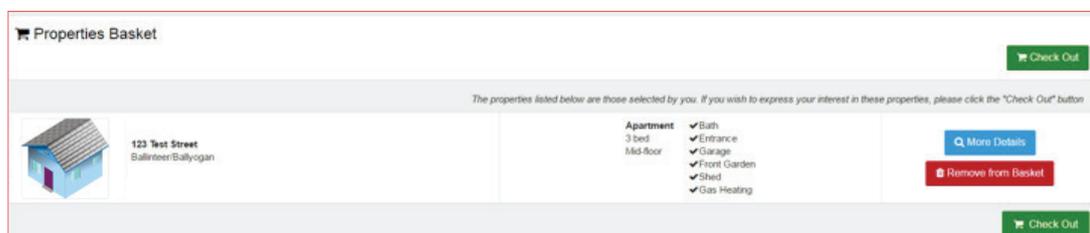

If you are no longer interested in a particular property, you can remove the property from your property basket. There are two ways to do this.

1. On the **Property Details Screen**: When you add a property to your property basket, you will see a  button.

If you click on this button, it will remove the property from your basket.

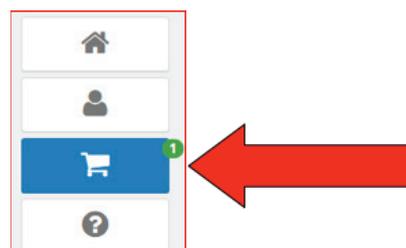

2. On the **Property Details Screen**: When you view the items in your property basket, you will see a  button. You can also click this button to remove the property from your basket.

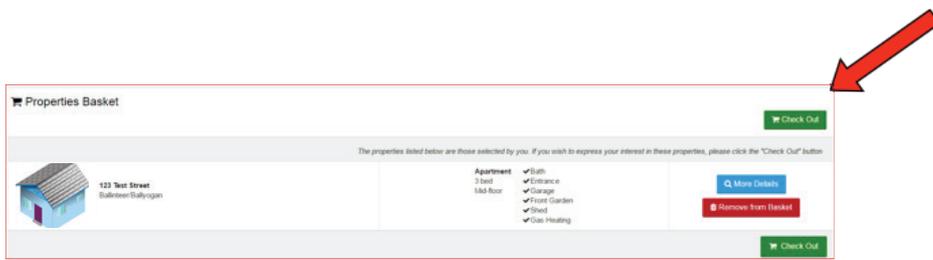

Submitting your expression of interest

When you have decided which properties you would like to express an interest in, click on the Property Basket button. 

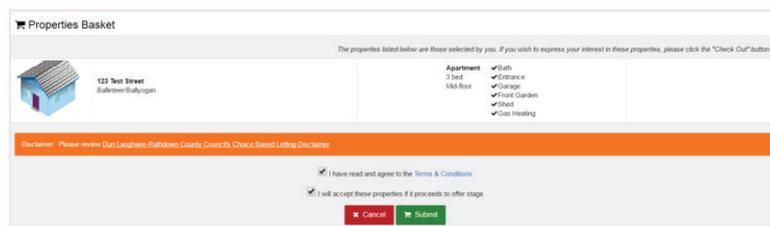

If you are happy with the properties in your Property Basket, click on the  button.

The next screen that appears (see below) will have two checkboxes that you must tick:

1. The first asks you to confirm that you agree to the Terms & Conditions for use of the CBL System (you can view these by clicking on the link provided),
2. The second asks you to confirm that you will accept the property if the Council offers it to you.

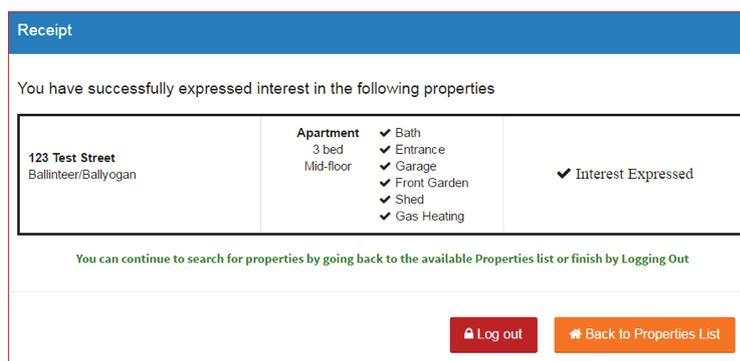

To make sure your 'expression of interest' is recorded against each property, you must tick both of these boxes and then click the  button.

If you want to cancel your interest in a property, click the  button.

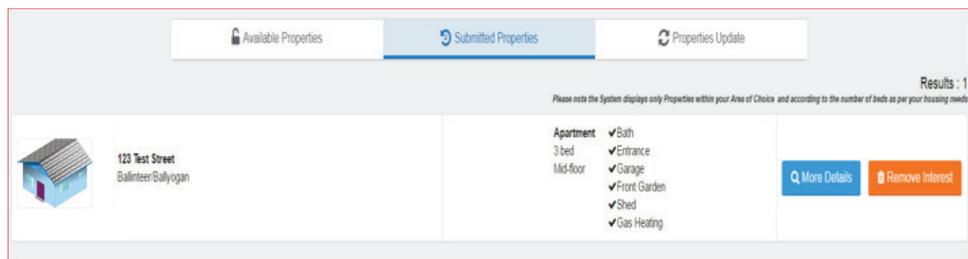

This is the last place where you can cancel your interest in a property.

Confirm your expression of interest

When you have successfully submitted an 'expression of interest' on a property or properties, you will see the following screen:

View your expressions of interest

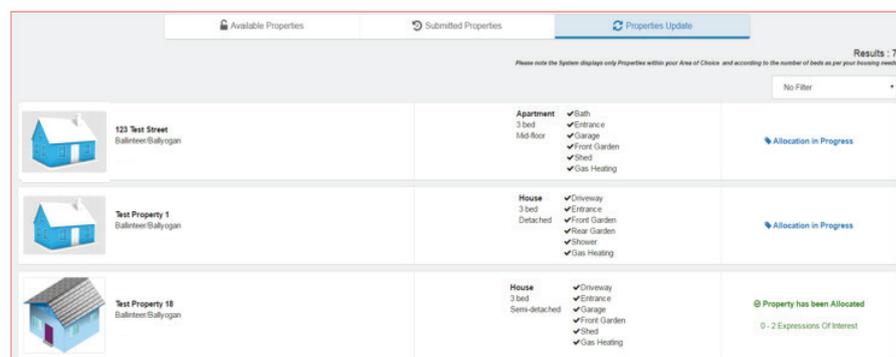

Properties will be advertised from Wednesday to Sunday each week. You can view a list of properties that you have expressed an interest in during this period.

To see this list, go to the Submitted Properties screen where all properties that you have added to your basket and submitted an interest in will be displayed. The most recently submitted properties are shown at the top.

Get updates on your preferred properties

To see if a property that you have expressed an interest in has been given to someone else, go to the Properties Update screen.

This screen will tell you if the property has been allocated to someone else and how many people expressed an interest in it.

Note: We will only contact you if we are going to offer a property to you.
