Dún Laoghaire-Rathdown County Council – 2022 High Security Locks Scheme Privacy Statement

Who we are and why do we require your information?

Dún Laoghaire-Rathdown County Council (“the Council”) seeks to promote the economic, social and cultural development of the County of Dún Laoghaire-Rathdown and in doing so contribute significantly to improving the quality of life of the people of the County. The delivery of high-quality services, tailored to meet the needs of all our customers, remains one of the Council’s core objectives and is included in our Corporate Plan.

In order to provide the most effective and targeted range of services to meet the needs of the citizens, communities and businesses of the County of Dún Laoghaire-Rathdown, we will be required to collect, process and use certain types of information about people and organisations. Depending on the service being provided, the information sought may include ‘personal data’ as defined by the Data Protection Acts and by the General Data Protection Regulation and may relate to current, past and future service users, past, current and prospective employees/suppliers, and members of the public who may engage in communications with our staff. In addition, staff may be required, from time to time, to collect, process and use certain types of personal data to comply with regulatory or legislative requirements.

Why do we have a privacy statement?

This privacy statement has been created in order to demonstrate our commitment to privacy and to assure you that in all your dealings with the Council we will ensure the security of the data you provide to us.

The Council creates, collects and processes a significant amount of personal data in various multiple formats on a daily basis. The Council's commitment to you is that the personal data you may be required to supply to us is:

- Obtained lawfully, fairly and in a transparent manner
- Obtained for only specified, explicit and legitimate purposes
- Adequate, relevant and limited to what is necessary for purpose for which it was obtained
- Recorded, stored accurately and securely and where necessary kept up to date
- Kept only for as long as is necessary for the purposes for which it was obtained.
- Kept in a form which permits identification of the data subject
- Processed only in a manner that ensures the appropriate security of the personal data including protection against unauthorised or unlawful processing
