Festival of
Inclusion

Introduction

by An Cathaoirleach, Cllr. Shay Brennan

Festival of Inclusion 2019: Celebrating Generations

I am delighted to welcome you to the Programme of Events for the dlr Festival of Inclusion 2019.

Dún Laoghaire-Rathdown County Council are proud to once again host this week-long Annual Festival of Inclusion, taking place between the 4th and 12th of October. The festival is a series of events which aims to highlight the excellent work undertaken County-wide by various community groups and organisations. Each year we recognise, celebrate and enjoy the work carried out by the many volunteer and professional groups who continue to create positive outcomes, all the while enhancing the lives of families, friends and neighbours.

This year's Festival theme is "*Celebrating Generations*". We are extremely fortunate here in Dún Laoghaire-Rathdown to have such a vibrant, diverse and engaged population.

As you may notice, this year's programme contains over 100 events and activities throughout our County, many of which aim to encourage intergenerational participation, with new events such as the dlr Leisure Services "Multi-Generational Fitness Classes", the Music Generation dlr "Family Music Sessions" and the dlr Network for Older People's "Intergenerational Speed Talking Session".

Many more events will be taking place throughout the County along with regular core Festival highlights such as The Diversity Fashion Show taking place in the Nutgrove Shopping Centre on Friday the 4th of October and The Core Credit Union Community 5K in Kilbogget Park on Saturday the 5th of October.

I would like to take the opportunity to thank all the participants, hosts, community groups, volunteers and dlr partners for all their hard work and commitment during the Festival and throughout the year.

Finally I would like to encourage you to attend as many events during the week as possible, and look forward to seeing you there.

Cllr. Shay Brennan

This screening will be followed by a Q&A with director Nicholas Ryan-Purcell.

Nicholas Ryan-Purcell was diagnosed with Asperger Syndrome aged thirteen. Nicholas overcame a series of obstacles to complete his Leaving Certificate and then undertake and graduate from a three-year course in TV Production at Ballyfermot College Dublin.

Now aged 28 Nicholas’s mental health challenges are a thing of the past. He has made this documentary to chronicle his experience of living with Asperger Syndrome and depression and to celebrate the invaluable support of his family, his teachers and his neighbours in the village of Emly, Co Tipperary.
