1. Introduction

‘Housing for All - a New Housing Plan for Ireland’ is the government’s housing plan to 2030.

It is a multi-annual, multi-billion euro plan which will improve Ireland’s housing system and deliver more homes for people with different housing needs.

It is an objective of Dún Laoghaire-Rathdown County Council (the Council) to create sustainable communities by encouraging a mix of mixed tenure (i.e. affordable and social) and mono tenure (i.e. affordable or social) housing.

The Council is seeking to increase the availability of affordable and social housing through various delivery mechanisms including through advance purchase arrangements with home builders and housing developers.

In this call, home builders and housing developers are being asked to consider offering properties with planning permission, where construction of the development or a phase of a development has not yet commenced, to the Council under an advance purchase turnkey arrangement, with payment on completion, for affordable or social housing purposes. Please note that the requirements under Part V of the Planning and Development Act 2000, as amended, will apply in the normal way to all proposals.

Joint venture arrangements that include an Approved Housing Body will be considered.

1.1 Affordable Housing Funding (AHF)

1.1.1 Affordable Purchase

Where appropriate proposals for affordable or mixed tenure dwellings are received and considered acceptable, Dún Laoghaire-Rathdown County Council can seek Affordable Housing Funding (AHF) from the Department of Housing, Local Government and Heritage (DHLGH).

The Affordable Housing Fund (AHF) provides Exchequer funding support to local authorities to assist in meeting the cost of delivery of affordable homes via an equity share in the property. The AHF funding is dependent on several criteria and 3 funding limits. Please refer to the below table.

### Funding Limit Categorisation

<table>
<thead>
<tr>
<th>Scheme density</th>
<th>Funding limit</th>
</tr>
</thead>
<tbody>
<tr>
<td>Dwellings in schemes with a net density of <strong>over 50 dwellings per hectare</strong> in cities designated under the National Planning Framework</td>
<td><strong>€100,000</strong></td>
</tr>
<tr>
<td>Dwellings in schemes with a net density of <strong>over 35 dwellings and under 50 dwellings per hectare</strong> in all urban areas</td>
<td><strong>€75,000</strong></td>
</tr>
<tr>
<td>Dwellings in schemes with a net density of <strong>less than 35 dwellings per hectare</strong></td>
<td><strong>€50,000</strong></td>
</tr>
</tbody>
</table>

1 Depending on the nature of the constraints and the efforts to address this in designing the proposed scheme, account may be taken of the impact of the constraint in calculating the proposal’s density and /or scheme layout.
The AHF funding must achieve a minimum 15% discount on open market values of comparable new build properties for affordable purchase, with the benefit of the applied for AHF funding taken into account.

The calculation of the 15% discount is set out in the below examples.

**Example 1**
Achieves minimum 15% discount is achieved on open market values of comparable new build properties

**1.1.2 Cost Rental**

Cost Rental is a new form of housing tenure in Ireland. Cost rental offers a long-term, secure tenancy with rents based on the cost of housing provision. Cost rental homes must achieve a reduction of at least 25% on open market rental values. Any properties being considered

by the Council under this call for the new cost rental tenure arrangements will need to ultimately deliver a minimum of 25% discount on open market rents.

1.2 Background information

1.2.1 Areas of Need

Proposals are invited for the advance purchase of turnkey properties for affordable, social or mixed tenure housing within the functional area of Dún Laoghaire-Rathdown.

The Council is interested in proposals in the following locations and has a particular need for one and two bed properties.

<table>
<thead>
<tr>
<th>Location</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
</tr>
<tr>
<td></td>
</tr>
<tr>
<td></td>
</tr>
<tr>
<td></td>
</tr>
</tbody>
</table>

1.2.2 Proximity to Services/Amenities

Ideally, proposals should be well located within or very close to town/village boundaries and be within walking distance of primary services such as school, shop, community facility etc.

Where a zoning map for the area has been adopted by Dún Laoghaire-Rathdown County Council, the zoning of the site in the relevant Local Area/County Development Plan must be compatible with residential development.

1.3 Submission Process

A two-stage process will be used.

In the Stage 1 submission, information in relation to the proposed site location will be sought. (See Expressions of Interest Form for further details).

Only those submissions which are deemed acceptable to Dún Laoghaire-Rathdown County Council following evaluation of Stage 1 submissions will progress to the Stage 2 submission and evaluation process.
1.3.1 Stage 1 Submission

At Stage 1, the following information must be submitted:

- Details of individual or company submitting the proposal, including a contact name, address, number and email
- Site details, (planning reference number, Irish Water reference number, residential density)
- Details of planned development
- Indicative all-in costs pricing schedule
- Site location map showing the proposed site and proximity of local services and amenities

Evaluation of Stage 1 Submissions

All Stage 1 submissions will be evaluated against Pass/Fail criteria. Only those submissions which achieve a Pass mark against all criteria, will move to the second stage of the process.

The Pass/Fail criteria are as follows:

<table>
<thead>
<tr>
<th></th>
<th>Location and suitability of the site</th>
<th>Pass/fail</th>
</tr>
</thead>
<tbody>
<tr>
<td>2</td>
<td>Land zoning status (if applicable). Zoning must be compatible with residential development</td>
<td>Pass/fail</td>
</tr>
<tr>
<td>3</td>
<td>All necessary utilities available, e.g. water, sewage, electricity, communications, etc.</td>
<td>Pass/fail</td>
</tr>
<tr>
<td>4</td>
<td>Initial indicative assessment of Affordability Gain (only applicable on affordable or mixed tenure sites)</td>
<td>Pass/fail</td>
</tr>
</tbody>
</table>

Following evaluation of Stage 1 submissions, proposals which are deemed acceptable will move to Stage 2 in the process.

3 The all-in cost of the development includes, land costs, construction costs, design fees and other costs such as development levies, utilities, financing costs, sales, marketing, profit etc.

It is accepted that there could be a difference between all in costs at stage 1 and stage 2.

4 It is a requirement of AHF funding eligibility that a minimum 15% discount is achieved on open market values of comparable new build properties for affordable purchase proposals with the benefit of the applied AHF funding taken into account.

It is a requirement of AHF funding eligibility that a minimum 25% discount on open market rents of comparable properties for Cost Rental proposals with the benefit of the applied AHF funding taken into account.
1.3.2 Stage 2 Submission

Successful applicants at Stage 1 will advance to Stage 2. If your proposal advances to Stage 2, you will be written to at that time under separate cover, outlining the full requirements in respect of the Stage 2 submission. The following are possible outline requirements that may be required for Stage 2:

- Number and mix of units proposed, and density in phase or phases
- Schedule of materials and finishes being proposed
- The all-in cost of the development broken down between land costs, construction costs, design fees and other costs such as development levies, utilities, financing costs, sales, marketing, profit etc. It is a requirement that this information be provided for the different unit types
- A timeframe/programme for the completion of the proposed development
- Details of any Approved Housing Body, if applicable, and proposed role in delivering the development
- Any other relevant information

Included in the evaluation of Stage 2 submissions is the availability of AHF subsidy for affordable and mixed tenure dwellings, which is subject to a review by the Department of Housing, Local Government and Heritage (DHLGH).

Subject to the stage 2 assessment, Dún Laoghaire-Rathdown County Council will revert with confirmation that the scheme has been selected or declined for approval.

2. Contractual arrangements

Where agreement is reached between the proposer and the Council on the scheme of development, a project specific Development Agreement will be required between the parties, regarding the advance purchase of any affordable properties and will be determined by the particular characteristics of each development.

The conveyance of any social housing included in the proposal will be by way of a standard ‘Contract for Sale’, with a deposit payment of 10% being paid (in escrow) on execution of the contract. Please note that Part V of the Planning and Development Act 2000, as amended, applies.

The turnkey contract agreement is not and should not be construed as a building agreement or public works contract.

The acceptance of any proposal(s) by Dún Laoghaire-Rathdown County Council shall be subject to the final agreement of satisfactory terms of contract with the developer and will also be subject to the availability of funding and the approval of the Department of Housing, Local Government and Heritage.
