APRIL MONTHLY MANAGEMENT REPORT

30 March – 28 April 2021

The country remained under Level 5 restrictions during the month of April, however changes to restrictions will commence from May 4th.

Staff continued to work remotely where possible with the Dundrum Area Office and the libraries closed to the public. Access to County Hall by members of the public is by appointment only, for urgent business.

The Council meeting of 12th April which was reconvened on the 28th April, 2021 were both held fully remote.

Updates on services affected, by department are detailed below:

Libraries

Ireland remains in [Level 5 Lockdown until at least 4 May](#). As a result, all dlr Library spaces remain closed to the public. This includes the My Open Library service at Deansgrange Library, and Sunday opening at dlr LexIcon.

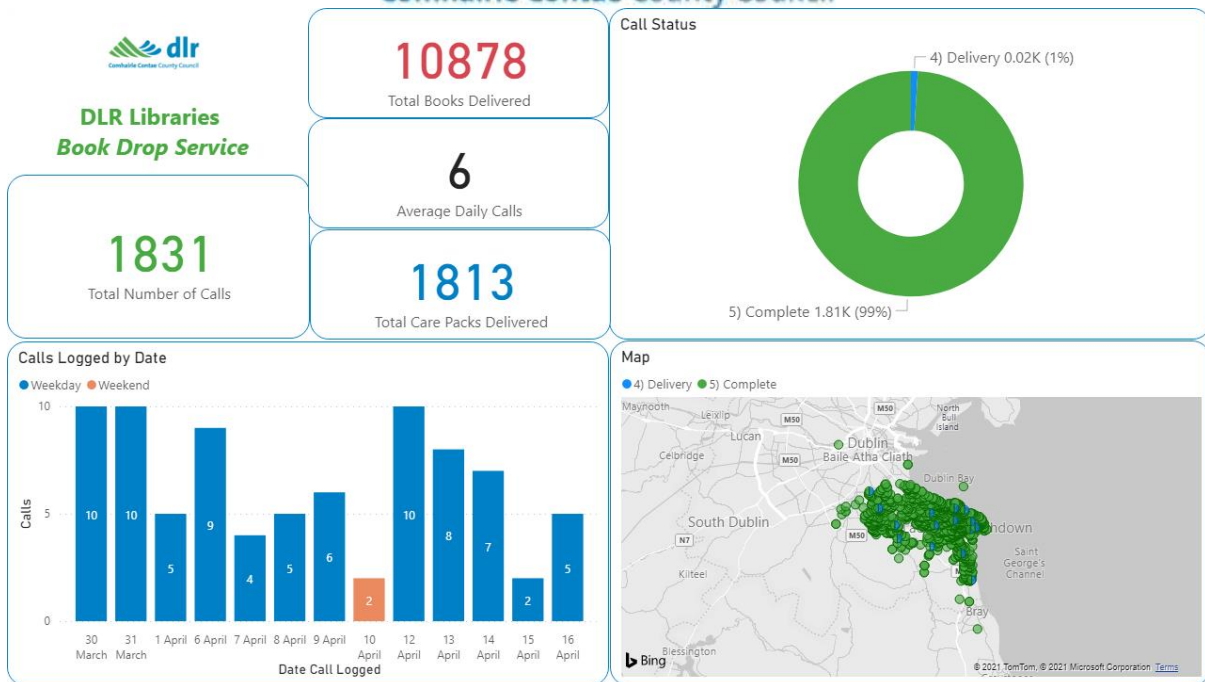

During current restrictions, our Contact & Collect service, online reservations and the national delivery system all cease, with online resources and services and online events continuing. Library staff continue to work remotely with a small number of staff working onsite within guidelines.

Community Call

Staff from Deansgrange and Blackrock Libraries continue taking phone calls and queries 3 days per week as part of the Community Call. Staff from the Community Dept. operate the Community Call helpline/email the remainder of the week. For more information, contact the dlr Community Call phonenumber on Freephone 1800 804535, 01 2713199 or email covidsupport@dlrcoco.ie.

Book Drop Service

Since the Book Drop Service launched on 17 April 2020, **1,831 calls** have been dealt with by library staff, with **10,878 books issued** to cocooners, the elderly and most vulnerable members of our community. Staff in dlr LexIcon remain available to deal with requests received by the Book Drop service. You can contact dlr LexIcon staff directly on 01 2801147 or via email at dlrlexiconlib@dlrcoco.ie.

The Community response to Covid-19 is being led and coordinated by **Dún Laoghaire-Rathdown County Council** in collaboration with a wide-range of stakeholders in the Community Response Forum, supported by a wide range of community and volunteer groups.

Community Response to COVID-19:

- Helpline and email address set up and promoted across all communication channels
- Operates 7 days a week from 9 am to 5 pm
- The Community Call Helpline has dealt with 4,383 calls since it commenced on 30 March 2020 and issues range from shopping, pension, medical, loneliness and isolation
- 38 calls were received in April. The majority of the calls relate to requests for library books. Other issues include information requests on Covid-19 and vaccination services.
- The Community Response Forum is meeting every four weeks at present to support in coordinating the provision of a multi-agency response to the individuals in the community that are negatively impacted arising from the measures implemented by the Government to stem the spread of Covid 19.

Health & Wellbeing Initiatives:

Against the background of the Covid Restrictions, it was necessary to develop a range of initiatives to support health and wellbeing in our communities. The priority was to encourage communities to keep fit and active, stay connected and support them in looking after their mental health. Initiatives were rolled out across Libraries, Sports and Physical Fitness, Arts, Heritage and Biodiversity. The Council also partnered with Making Connections, that primarily looks after the elderly, in delivering a range of individual initiatives, in the community to help isolated individuals to connect with their neighbours.

Keep Well Campaign 2021

The Keep Well campaign is a national campaign which the government is promoting to help people stay well through the winter months. The Campaign is focused on 5 themes: Staying Connected, Switching Off and Being Creative, Managing your Mood, Keeping Active and Eating Well.

A dedicated Keep Well page is set up on the Council's website to support the national campaign: <https://www.dlrcoco.ie/en/keep-well-campaign-2021>

The promotion of the Keep Well Campaign in DLR continues. The 5 themes of the campaign are being promoted on social media. Each week focuses on a different theme with initiatives from the respective theme promoted.

Heritage

All DLR heritage properties sites closed due to Level 5 and filming ceased. Online County Heritage Plan presentations and consultation. Planning for online/blended approach to much of the 2021 Heritage programme.

Municipal Services

All sections are working closely with the Gardaí to assist in social distancing in public areas, including parks, open spaces, beaches, harbours and piers.

Water Services: all essential services continue to be provided, including water supply, drainage services including surface water management and flood management. All essential repairs, operational and maintenance works are continuing, routine and other works have resumed.

Road maintenance: the level of activity is at normal service with the majority of outdoor staff in operation. Essential operations including emergency repairs and upkeep, winter maintenance, responses to Gardaí and traffic accidents continue to be dealt with, and Road Resurfacing & Footpath upgrade programmes are in progress.

The Roads Control continues to grant and manage road opening licenses and permits for essential utility services, including electricity, water, gas and telecommunications as part of the Council's essential services operations implemented as part of COVID-19 restrictions introduced on Friday 8th January 2021.

Cleansing/Street cleaning: all Service are resumed, including litter removal, street sweeping/cleansing and litter bin emptying. Level of activity has increased with all outdoor staff back in operation.

Traffic: During the Covid 19 pandemic, the Council carried out several interventions to improve facilities for pedestrians and cyclists. This included the provision of cycle lane protection at several junctions and routes and the provision of wider footpaths using bollards and cones to facilitate physical distancing in towns and villages. In addition, village improvement schemes were carried out at Blackrock, Dundrum, Glasthule and Dalkey. A number of these schemes ran over into Q2 2021 and a total of €5.6m was spent on these projects up to 2020-year end.

In July, as part of a Stimulus package, the Government announced total package of just over €100m to support sustainable mobility. As part of this, about €9.0 million was allocated to Dun Laoghaire Rathdown County Council for 65 schemes. This funding was used for such interventions as cycle lane protection schemes, improved footpaths and road surfaces, and improved cycle links through parks.

Beaches/Harbours/Piers: All services have resumed.

Local Enterprise Office and Economic Development Unit

The Local Enterprise Office continues to offer grant and training supports to businesses impacted by Covid 19. A webpage has been setup for the specialised [LEO Covid supports](#) which contains details of all the government supports for businesses in these difficult times.

The Department of Enterprise, Trade and Employment launched the [Small Business Assistance Scheme for COVID](#) (SBASC) in March. The scheme was intended to target those businesses with operating costs that do not qualify for the COVID Restrictions Support Scheme (CRSS) operated by the Revenue Commissioners. Closing date for applications was April 21st 2021 and a total of 147 applications were received.

In addition to helping companies adopt best practices in dealing with crisis, the Local Enterprise Office (LEO) is continuing to provide a full range of training supports, details of which are available [here](#).

Fáilte Ireland has introduced a new [Outdoor Dining Scheme](#) which provides funding to individual businesses to introduce or expand their outdoor seating. The grant, which is for a maximum of €4,000, can be used to fund up to seventy-five per cent of the cost of purchases made since April 2020. The Scheme is open for applications until September 30 2021, and replaces the Street Furniture Grant which had been introduced by the council last year.

The coming months will see the roll-out of a major initiative involving lighting up significant buildings. This is made possible by "Destination Towns" funding from Fáilte Ireland.

Work on *Dún Laoghaire Anseo*, a programme of street art for Dún Laoghaire town, is continuing. The project will be realised from June 22nd to 28th, and it is hoped that this will boost footfall in the town, subject to public health restrictions in place at the time.

Infrastructure and Climate Change:

The Directorate is continuing its work on the following CoVid19 interventions and Active travel programme.

- The Directorate continues to respond to environmental, waste and litter pollution incidents, as needed, and such incidents are recorded and managed as usual through the Civic Hub and the CRM system.
- The Council's waste recycling facilities remain open (at Ballyogan, Eden Park and Shanganagh) with social distancing and other HSE recommended protocols in place and the Council-operated Bring Banks continue to be serviced and made available for use by the public. Activity at these sites during Covid 19 has increased compared to the same months last year.
- Property Management continues to offer a full service.
- The Capital Projects Team continue to progress capital projects through design stages. Some delays are encountered with Covid restrictions on the construction sectors and associated services.

Forward Planning Infrastructure

- The Directorate continue to engage with applicants, their representatives and other state agencies as part of on-line systems to include tele / video conferencing to facilitate workshops and reporting in the assessment of the Cherrywood Planning Scheme.

- Work continues in progressing the project designs and tender documentation of the Cherrywood Urban Regeneration Development Fund (URFD) - Parks, Greenways and Attenuation project, as well as the Cherrywood LIHAF project for the Druid's Glen Road.

Architectural Services

In line with Government guidelines most construction has re-commenced. Conservation and Dangerous Buildings services continued.

Housing

- The Housing Department, as an essential service, continues to operate although with some additional health and safety restrictions, due to Covid-19. Housing services including Homeless, Allocations, HAP and essential Housing Maintenance works are being progressed with additional supports provided as required to the vulnerable including the Traveller Community. Given the limited access to homes, some services such as Inspections and all but emergency maintenance calls are suspended. Work is continuing on a limited number of social housing sites, which are exempted from the current restrictions on construction activity, and which are due for completion by the end of April. Part V negotiations have continued and applications for Housing Adaptation Grants for Older Persons and People with a Disability continue to be processed.
- Staff continue to engage with home loan borrowers and tenants who have been affected by a loss of or reduced income as a result of the pandemic.

Finance

Rates: The Government announced a waiver of commercial rates for the first 6 months of 2021.

This 6 month waiver has modified criteria and accordingly is a separate, standalone waiver scheme. As previously, the waiver is applied automatically to eligible customers accounts.

Rates Revaluation: Due to COVID-19, revaluation of rateable properties in the administrative area will be deferred. The revaluation will now be finalised in September 2022 and become effective for rates purposes from 2023 onwards.

Accounts Payable: Accounts payable are continuing to work to ensure suppliers are paid as quickly as possible to assist with their cash flow requirements.

Financial Management: The impact of Covid-19 on the Council's financial position has improved since the receipt of the rates wavier support from the Department. Budgets and cash flow continue to be monitored closely.

Small Business Assistance Scheme for Covid – SBASC: The Department of Enterprise Trade and Employment launched the Small Business Assistance Scheme for COVID (SBASC) on 11th March 2021 which was intended to target those businesses with operating costs that do not qualify for the COVID Restrictions Support Scheme (CRSS) operated by the Revenue Commissioners.

The eligibility criteria for both schemes are similar. The main difference between SBASC and CRSS is the requirement, in the case of CRSS, for the public to have access to a business premises.

SBASC also aligns with recently announced grant schemes for the tourism, arts and entertainment sectors.

The grant, which is available as a contribution towards fixed costs to assist a business to keep operational for an eventual re-opening, is only available to an applicant operating from a rateable property.

The scheme covers the period 1 January 2021 to 30 June 2021. Each eligible applicant will receive a payment of €4,000 with an additional payment of €4,000 from May 2021 to applicants continuing to meet the scheme eligibility criteria.

- The scheme is available to companies, self-employed, sole traders or partnerships, with a minimum turnover of €50,000 and are not owned and operated by a public body. The Scheme is open to firms that currently employ less than 250 and with current turnover of less than €25m.
- The business is not eligible for CRSS or the Fáilte Ireland Business Continuity Scheme.
- The business operates from a building, or similar fixed physical structure on which business rates are payable (mobile premises, or premises which are not permanently fixed in place, do not meet the definition of business premises nor do premises on which no rates are payable).
- The business must have a current eTax Clearance Certificate from the Revenue Commissioners.
- The turnover of the business over the claim period is estimated to be no more than 25% of the average weekly turnover of the business in 2019; or the projected average weekly turnover of the business for 1st January to 31st March 2021, and 30th of June 2021 where applicable, for businesses that commenced after 1st November 2019, and the financial plans as of end of 2019 should be uploaded with the application.
- The business intends to resume trading in full once Government restrictions are eased.
- All eligible applications receive a first payment of €4,000.
- Payments will be dispersed in the same format as rates refunds via bank transfer.

This scheme is now closed for applications. The closing date for applications was 21st April 2021 at 11.59pm.

We received 147 complete applications up to the closing date.

Planning:

- The Planning Department is operating in accordance with the revised time frames set out by the Ministerial Orders. The Orders disregard the period from the 29 March 2020 to the 23 May 2020 (inclusive), 56 days/8 weeks, when calculating statutory timeframes.

Corporate Affairs:

- The monthly April Council meeting took place remotely on 12th April and re-convened on 28th April 2021.
- Deputations recommenced and continue to be held remotely.
- Group Leaders' meetings are now being held on a monthly basis.
- The Communications Unit continue to provide information in relation to our services during Covid and continue to be active on all our media platforms.

Dlr BETA project

The dlr BETA project was launched on 27th April 2021. The BETA project further expands our public engagement platforms and invites ideas from the public to trial small scale improvements to improve the public realm.

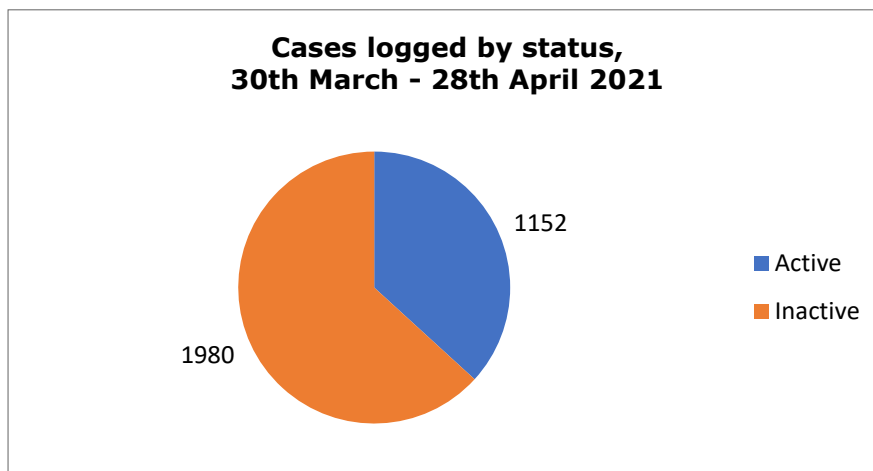

There is a dedicated website, www.dlrbeta.ie which will be the platform for sourcing good ideas and turning them into small scale test projects. The trials, usually for a period of 3-6 months, will be monitored and assessed for effectiveness. Consideration will then be given to see if it is feasible to develop the project out on a wider basis over time.

There are currently two trial projects to come on board:-

Parklet, Sallynoggin:- Public seating and planting has temporarily taken the place of 3 car parking spaces. It will provide room for local people to relax and assist local businesses.

Bin for Pizza boxes only:- Provision of a new type of bin that is for the bulky pizza boxes only, to prevent them blocking the ordinary bins. This will be trialled in Blackrock and Dun Laoghaire, starting in May.

Libraries

Ireland remains in **Level 5 Lockdown until at least 4 May**. As a result, all dlr Library spaces remain closed to the public. This includes the My Open Library service at Deansgrange Library, and Sunday opening at dlr LexIcon.

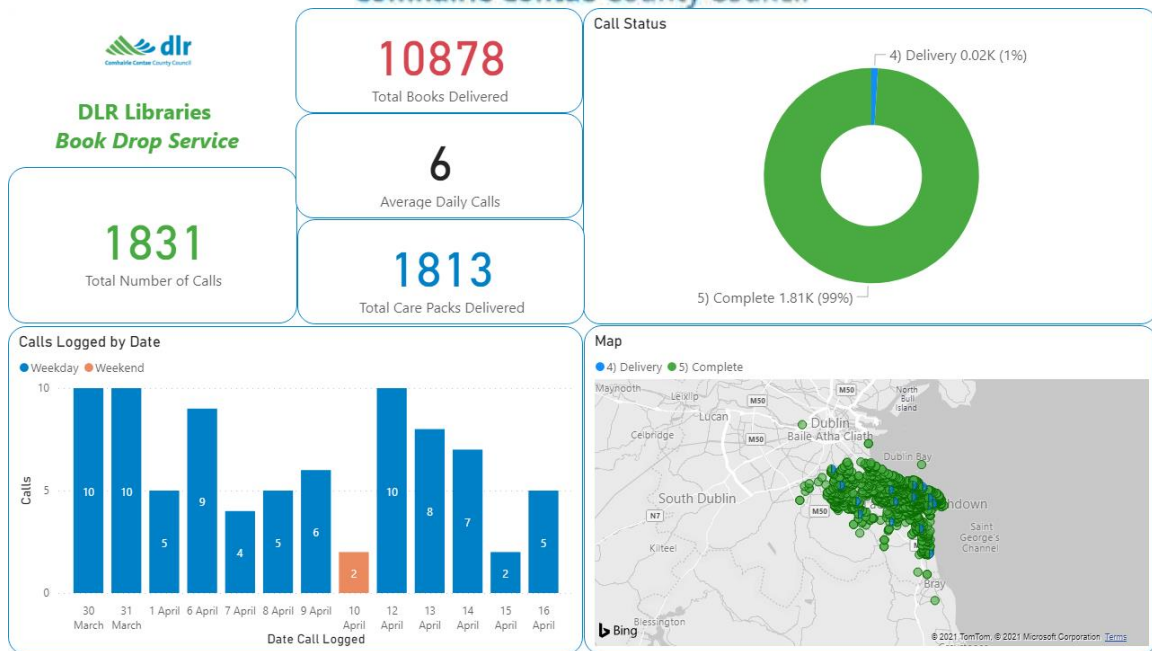

During current restrictions, our Contact & Collect service, online reservations and the national delivery system all cease, with online resources and services and online events continuing. Library staff continue to work remotely with a small number of staff working onsite within guidelines.

Community Call

Staff from Deansgrange and Blackrock Libraries continue taking phone calls and queries 3 days per week as part of the Community Call. Shenanigans series for autism

Paul Timoney and Kyle Riley brought us their series of storytelling and craft sessions "Shenanigans" which were specially tailored for those with sensory needs.

Pets & Wildlife

Given the amount of people who have added a pet to their family during Lockdown, we invited animal husbandry expert Hannah Flew to give a couple of talks on dog care. Eric Dempsey also hosted 2 very popular online workshops on **The magic of spring and summer birds**.

One Dublin, One Book

On 19 April, we held an online **Poetry at the LexIcon: One Dublin, One Book** event with poet Rosamund Taylor, which was recorded in the Studio, dlr LexIcon.

The average number participants over the weekend is +1,000, including families in different locations connecting to play with, or against each other! In April, we made things a little bit harder by reducing the amount of time allotted to lock in your answers. We included an Anzac Day Quiz on 25th April, following a request from the Australian Embassy in Dublin to collaborate with them as part of their national day of remembrance.

Online Book Clubs

Our popular online monthly book club with Mary Burnham takes place on the last Wednesday of April at 7.30pm with a Zoom discussion of *Confession with Blue Horses* by Sophie Hardach.
