

MARLAY PARK CONCERTS 2019

The schedule for concerts in Marlay Park this year is as follows:

Friday 5th – Sunday 7th July (Gates 13:30) – Longitude Festival

The events finish at 23:00 on each day. There may be a small amount of pyrotechnics in use during the concerts.

PARK AND CAR PARK OPENING/CLOSING TIMES

Marlay Park will remain open to all visitors as normal except on concert days.

The concert layout and build schedule is similar to 2018. This layout aims to maximise the availability of the park to other park users, minimise disruption and make available the amenity space in front of Marlay House and around the café.

On concert days, a full circulation route around the park will be maintained until 12:00. Following this, access will be more limited. The park will close fully at 18:00 (or earlier should An Garda Síochána consider that this is necessary).

There will be reduced capacity in the Grange Road car park from Tuesday 25th June to Friday 12th July. On concert days it will be completely closed. The car park at College Road will operate as normal except on concert days when it will close from 12:00 and is reserved thereafter for concert traffic.
