The library includes a public 'living room' floor overlooking a beautiful new park; this floor accommodates informal access to a taster collection, the Internet, newspapers and magazines. In addition there are extensive resources for the local community and a dedicated suite for young people. The Municipal Gallery is on this level also. The main lending library includes a state of the art children's library and caters for the varied needs and interests of all children. It plays a pivotal role of support for the Primary and Post Primary Schools in the County. The top floor in the building is dedicated to Local Studies, recording the history and heritage of the county. It also acts as a repository for the county's extensive local history collection. The room for the writer-in-residence is on this level.
