**Reg. Ref.** D19A/0143 **Application Rec'd Date:** 04-Mar-2019

**Applicant Name** Richard Salmon  
**Location** 1, Clarinda Park East, Dun Laoghaire, Co. Dublin, A96 CF61  
**Proposal** Permission is sought for proposed new build, remodelling, refurbishment and energy efficient upgrade works to a protected structure in an architectural conservation area. The works include the remodelling of the house, subdividing it to provide a 1 bedroom apartment at the lower ground floor level and a four bedroom house in the 3 floors above. Remodelling works include the removal of non-original partitions from the house and 2 no. windows + 1 no. door from the rear facade and the fitting of 3 no. new, sash windows to the rear facade at lower ground, ground and first floor levels and a door ope with folding steel doors to the rear at lower ground floor. The replacement of the ground slab to house with a new, insulated, slab to resolve damp problems is also proposed. Refurbishment works to maintain and repair the historic fabric and finishes in the house to include work to the windows, internal plasterwork, iron railings, roof finish, external lime render, timber floors and joinery elements throughout. Works to improve the energy efficiency of the house to include the application of a thermal lime render to external walls, fitting of insulation between floor joists at each floor level and the installation of new gas fired heating systems. New build works are for the construction of a single storey building with a green roof, area 72 sqm, located along the rear boundary of the property to accommodate an artist`s studio and single garage, with access to the garage through an existing vehicular door from the lower Glenageary Road. Existing rear boundary wall to be taken down to facilitate the construction of the Studio + Garage building. Associated SuDS works in support of the drainage system and landscaping works to front, side and rear garden areas are included.

**Application Type** Permission
