

Active School Travel Project Update: 23/04/2021

Following the completion of Phase 1 of the Active School Travel project, the Council's Project Team continues to engage with local stakeholders and seek feedback. To date, meetings have taken place with the following residents / businesses groups:

- Georges Avenue
- Avoca Avenue
- Avoca Park
- Avoca Road
- Glenart
- Belmont Terrace
- Belmont Lawn
- Ardagh Crescent
- Meadow and Ardagh Close
- Mount Albany
- Scoil San Treasa
- Mount Anville Wood
- Mount Anville Park
- Eden Park Road
- Knocknashee
- Leopardstown Grove / Rockwood
- Silchester Avenue
- Deansgrange Businesses Association
- Woodlands Park

The Active School Travel project involves a dynamic engagement model. To date approximately 40 hours of meetings have taken place, with engagement still ongoing. The Project Team is reviewing and assessing the feedback received to date. Any changes resulting from this engagement will be incorporated into the detailed designs. When the local stakeholder engagement is concluded, for this phase, the Project Team will engage with the Elected Members in relation to specific interventions.

It is intended to have the Active School Travel interventions implemented on the ground by August/September 2021.
