RECORD OF MONUMENTS AND PLACES

Record of Monuments and Places

All Structures in Schedule 1, with the exception of those highlighted as sites, are also defined as Protected Structures. These structures are protected under the National Monuments Acts and the Planning Acts. The qualities of archaeological and architectural interest are not mutually exclusive and certain structures can have both qualities and be protected by both Acts.

Note:

All material is designated by the relevant Dúchas reference numbers on the Map and listed in Schedule 1 of this Written Statement.
