

Dún Laoghaire-Rathdown County Council Covid 19 response for businesses seeking to use Public Spaces

In order to help businesses function within the Covid-19 restrictions, the Council appreciates that some businesses may require space outside their premises either for waiting areas, customer queuing, outdoor dining or some other form of outdoor use and that as a result there is a need to reimagine the streetscape.

The Council is open to considering any requests from businesses, where the existing space is adequate or where additional space can be provided, subject to the suitability of the location.

Of necessity, these requests will be considered on a street by street basis so that everyone can safely enjoy our towns/villages/streets as restrictions are gradually eased.

Public and Pedestrian safety will be key criteria in assessing any applications for street furniture licences.

In addition, Businesses will need to demonstrate that they have public liability insurance to cover the use of street furniture on public space and footpaths.

No fee applies to applicants for street furniture licences until 31st December 2021.

For all requests relating to new outdoor seating, please email this form to info@dlrcoco.ie or phone 205 4700 to log a query. **Please provide an email address to which a response to your query can be sent.**

This Dept is currently receiving a large volume of correspondence so replies may take several days.
