

# Cross Avenue Temporary Cycle Route

**Section 38 of the Road  
Traffic Act, 1994**

**Information Leaflet**

**Works are due to commence in  
mid July 2020**

## Scheme Features

- A temporary cycle track will be provided on Cross Avenue on the south side from Glenvar Park to Booterstown Avenue (400m) for a 4 month trial period.
- Quick and efficient installation of a cycle track using cycle track lining, signing, and flexible bollards - 400m.
- The width of the cycle track will be about 1.5m.
- Pay and Display parking at the Booterstown end of Cross Avenue will be removed as part of the scheme. Four indented parking bays will remain.

### Scheme Benefits

**Provide  
segregation  
for cyclists on  
a school  
route**

**Improved  
safety for  
those cycling  
to school or  
work**

**Potential for  
improved air  
quality and  
reduced  
noise**
