

Cosán Tréscaoilteach Reilig Ghráinseach an Déin

Dean's Grange Cemetery Permeability Link

An Tionscadal

- Tionscadal píolótach is ea é seo. Idirghabháil shealadach 6 mhí atá ann le triail a bhaint as bealach coisithe agus rotháiochta.
- Le linn na tréimhse trialach 6 mhí, déanfar comhairliúchán ar líne le deis a thabhairt dóibh siúd a bhfuil suim acu sa tionscadal a dtuairimí a nochtadh. Reachtálfar é sin trí mhol comhairliúchán dlr – <https://dlrcoco.citizenspace.com/>
- Rachaidh an bealach idir Bóthar Ghráinseach an Déin agus Páirc Imeartha Granada. Is é an bóthar rochtana a théann tríd an reilig cheana féin atá le húsáid.
- Is tionscadal ísealchostais é nach bhfuil mórán oibre i gceist leis, ach a d'fhéadfadh dul chun tairbhe don phobal áitiúil agus don phobal i gcoitinne. Tá buntáistí sláinte, comhshaoil agus sóisialta, i measc buntáistí eile, ag baint leis.
- Tá sé beartaithe ag DLR bealaí sábháilte, áisiúla a chruthú don phobal d'fhonn iad a chur ag siúl agus ag rotháiocht.
- Nuair a spreagtar daoine chun siúl nó chun dul ar rothar in ionad tiomáint, daingnítear dea-nósanna aclaíochta ina ngnáthamh laethúil. Dá laghad carranna ar na bóithre is ea is lú astaíochtaí agus torann a bheidh ann agus is sábháilte a bheidh ár sráideanna.

The Project

- This is a pilot project. It is a **six-month temporary intervention** to trial the provision of a pedestrian and cycling route.
- During the 6 month trial period, an online consultation will take place where interested parties can have their say on the project. This will be through the dlr consultation hub - <https://dlrcoco.citizenspace.com/>
- The route connects Deansgrange Road with Granada Pitch. The existing access road through the cemetery is being utilised.
- It is a low-cost, light-touch project with the potential to provide benefits to the immediate and broader community. These include health, environmental and social.
- It is the intention of DLR to create safe, convenient routes for the public which are conducive to walking and cycling journeys.
- Encouraging people to walk and cycle rather than drive helps to ingrain exercise into a daily routine. Less cars on the road implies less emissions, less noise and safer streets.

Uaireanta Oscailte/ Opening hours

Feabhra 08.00-17.00	Martá & Aibreán 08.00-18.00	Bealtaine & Meitheamh 08.00 & 21.00
February	March & April	May & June
