### **What is the activity referred to in this Privacy Statement?**

The public consultation for a Local Area Plan (LAP) consists of two main stages, (i) non statutory pre-draft consultation and (ii) consultation on the Draft LAP itself. We are currently at the "Draft" stage of the plan process.

Prior to preparing a Draft Plan, the local authority takes whatever steps it considers necessary to consult the public including public bodies, non-governmental agencies, residents' associations, community groups, and business interests in the area. For the Dundrum LAP, A 'Pre-Draft Consultation Process' was held for a period of four weeks from 19th November to 14th December 2018. Two Public Information Open Sessions were held as part of this consultation.

The Draft LAP has now been prepared by the County Council for display taking into account issues raised during the pre-draft consultation phase. When the Draft LAP is published, it must be placed on public display for a minimum of six weeks during which submissions and observations are invited from the public and interested parties.

Following the consultation stage, a report summarising the issues raised and the Chief Executive's recommendation will then be presented to the Elected Members for their consideration, not later than twelve weeks after publication of the notice in a national newspaper.

All submissions received **that provide consent, will be published on the website of the Council accompanied by their name or the organisation's name** they submitted on behalf of. **Their name will be listed in the Chief Executive's report which will be published on the website of the Council,** as per Section 20(3)(c)(ia) & 20(3)(c)(ii)(I) of the Planning and Development Act 2000, as amended.

Where consent has **not** been provided, the name of individuals **will not be published on the website of the Council,** however the content of their submission **will be published on the website of the Council. Their name will**

**be listed in the Chief Executive's report, which will be published on the website of the Council**, as per Section 20(3)(c)(ia) & 20(3)(c)(ii)(I) of the Planning and Development Act 2000, as amended.

The Elected Members have six weeks to consider the Chief Executive's report and adopt, amend, or reject the Draft LAP. Any Material Alterations to the Draft LAP must go on public display for a further period of not less than four weeks.
