Jan 2000	A	Amendments post public display	
June 2000	B	Approved Dundrum Area Committee	28/06/2000
July 2000	C	Adopted Action Area Plan	10/07/2000

NOTE:
Action plans illustrate in structure form the proposed land use pattern and should not be used for dimensioning purposes.
The precise alignment of roads, services and boundary treatment of the area will evolve following detailed consideration as development proposals are formulated and local variations may be used from time to time.
