1. What is the Local Authority Affordable Purchase Scheme?

Under the 'Local Authority Affordable Purchase Scheme' Dún Laoghaire-Rathdown County Council (DLRCC) makes new homes available to purchase for eligible applicants at reduced prices.

It is aimed at first time buyers (exceptions apply) who are looking to purchase a home but need additional funding to **bridge the gap** between their mortgage and deposit to cover the entire cost of the home.

The Council takes an equity share (also known as the '**Affordable Dwelling Contribution**') in the property. This is a monetary contribution which is equal to the difference between the open market value (**OMV**) of the property and the reduced price paid by the purchaser (also known as the '**Affordable Purchase Price**').

Example:

- The **OMV** of the home is **€560,000**
- The Council takes an **equity share of 20%**, which is **valued at €112,000** ($€560,000 * 20\% = €112,000$)
- You will **pay €448,000** ($€560,000 - €112,000 = €448,000$). This is the **Affordable Purchase Price** of the property.

2. Where are the Affordable Homes located?

The Affordable Homes in the **Woodbrook** development are located close to Shankill Village on Dublin's beautiful south coast.

3. What type of properties are available and how much will they cost?

3 Bedroom Semi-Detached (Larger Units)	4	€378,000.00	40 %	€630,000.00
3 Bedroom with Study	9	€393,000.00	40 %	€655,000.00

The Local Authority Affordable Purchase Scheme is covered by:

6. Am I eligible for this Scheme?

To be eligible to apply for Woodbrook Affordable Housing Scheme, you must satisfy the following criteria.

- Each person included in the application must have the right to reside legally in the country.
- The affordable home must be the household's principle private residence.
- Applicants' purchasing power must not exceed 80% of the market value of the property.
- Each Scheme will have different income limits depending on the cost and location of the homes. Please see [Affordable Purchase Dwelling Arrangements Income Assessment Policy](#).
- **Exception to income limits:** The exception caters for a situation where an applicant's income multiplied by 4 exceeds 80% of the market value of the dwelling, but the applicant is in fact unable to secure a mortgage from a bank/financial institution for 80% of the market value of the dwelling.
- If you are in a **committed relationship**, you **must** submit a **'Joint Application'**. Failure to do so may result in your application being disqualified.
- Where applying as a **Single Applicant**, you must be able to demonstrate that **any additional household members** included in your application are **dependent on you** (excluding children of the applicant).

7. What is the income limit to be eligible for the Affordable Purchase Scheme?

Applicants' purchasing power **cannot exceed 80% of the open market value of the property.**

- In general, the income limit for an affordable dwelling is 80% of the open market value divided by 4. Please see our [Affordable Purchase Dwelling Arrangements Income Assessment Policy](#).
- **Exception to income limits:** An exception allows for a situation where an applicant's income multiplied by 4 exceeds 80% of the market value of the dwelling, but the applicant is unable to secure a mortgage from a bank/financial institution for 80% of the market value of the dwelling.

For further information on **assessable** and **non-assessable** forms of income for your application, please review our [Income Assessment Policy](#).

Dún Laoghaire-Rathdown County Council require documentary evidence to confirm the applicant(s) is a/are First Time Buyer(s).

The following documents are accepted:

Please note that you cannot use the HTB financial award to purchase a property in this development, as the open market value of the properties exceeds €500,000.00 However, you may use **HTB approval to demonstrate that you are a first-time buyer.**

Solicitor's Affidavit:

If you are a 'First Time' buyer and not availing of Help to Buy, please provide an affidavit from a solicitor confirming that you have never previously owned a dwelling in Ireland or any other State.

Please note that your solicitor cannot be a member of your family.

Therefore, both parties need to be named on the required documentation either together on same documentation or separate documentation for each applicant.

We anticipate that you will be informed of the outcome of your application within 4 weeks of the application portal closing.

When you submit your application, you will receive a reference number via email. This is an application **reference number alone**. It allows us to **identify your application**. It does not indicate your position in the application process.

23. Will I require a solicitor?

Successful applicants will require a solicitor to proceed with the sales process. It is the responsibility of each successful applicant to organise for a solicitor to act on their behalf. The Council will not provide solicitors for successful applicants.

24. What is the Open Market Value?

This is the value of the affordable purchase home that it might be expected to achieve in the open market.

The open market values (OMVs) of the properties in Woodbrook are:

Property Type	Number of Units	Minimum Sale Price (€)	Approximate % Reduction from Market Value	Open Market Value
3 Bedroom Mid / End Terrace /Semi-Detached	17	€336,000.00	40%	€560,000.00
3 Bedroom Semi-Detached (Larger Units)	4	€378,000.00	40%	€630,000.00
3 Bedroom with Study	9	€393,000.00	40%	€655,000.00

25. What does 'Affordable Purchase Price' mean, and how is it calculated?

Dún Laoghaire-Rathdown County Council, in line with the [Affordable Housing Regulations](#), have set a minimum price that the affordable purchase properties can be sold for.

The **affordable purchase price** to be **paid by you** depends on:

- Your purchasing power,
- Your ability to raise the relevant finances, and
- The minimum sales price of the property (whereby the Council takes 40% equity stake in the property)

The minimum sales price for the properties in Woodbrook are:

Property Type	Minimum Sales Price
3 Bedroom Mid / End Terrace /Semi-Detached	€336,000.00
3 Bedroom Semi-Detached (Larger Units)	€378,000.00
3 Bedroom with Study	€393,000.00

Please note: The minimum sales price is **not** the Affordable Purchase Price that you will pay.

26. How is my Purchasing Power calculated?

Your purchasing power is calculated as the combined total of:

- Maximum mortgage capacity (ideally 4 times your gross household income), plus
- A minimum deposit of 10% of the Affordable Purchase Price, plus
- Relevant savings

Please Note: The higher your purchasing power, the more money you will have to contribute to the price of the affordable dwelling. So, the Council will take less equity.

27. What is the Affordable Dwelling Contribution?

This is the monetary amount paid by the Council towards the purchase of an affordable home. It is the difference between the Affordable Purchase Price paid by the applicant and the OMV of the home on the date of offer.

28. What is the Equity Share and the Affordable Dwelling Purchase Agreement?

The Equity Share is the Affordable Dwelling Contribution expressed as a percentage. It is the stake that Dún Laoghaire-Rathdown County Council will take in your home that bridges the gap between the Affordable Purchase Price paid by you and the OMV of the property. Equity shares are calculated on an individual basis and are linked to your purchasing power.

For example: If you buy a home at a 20% discount, Dún Laoghaire-Rathdown County Council will have a 20% stake in your home.

For the purpose of Woodbrook Scheme, the equity share taken by the Council will be **no less than 20% and no more than 40% of the OMV of the dwelling**. The Equity Share will be written into the Affordable Dwelling Purchase Arrangement (ADPA).

The ADPA is a contract between:

- You, the purchaser, and
- Dún Laoghaire-Rathdown County Council

It explains the terms and conditions under which the Council provides the Affordable Dwelling Contribution.

Key Points:

- You will sign the Affordable Dwelling Purchase Agreement (ADPA) with the Council, before or at the same time as you finalise the purchase of your affordable dwelling.
- You will register the agreement with the Registry of Deeds or Land Registry.
- It explains how and when you can make payments to reduce the Council's equity share in your home. It will also explain when the Council can ask for their share back.
- You will also sign a Contract of Sale with the Developer to complete your home purchase.
- Providing false information on your application can lead to the agreement being cancelled and the offer to purchase the home being withdrawn by the Council.

29. Do I need to repay the Affordable Dwelling Contribution/Buy out the Equity Share?

A **Redemption Payment** is a payment that is made by the purchaser to the Council to pay back the Affordable Dwelling Contribution that was provided.

- Redemption Payments are subject to certain conditions which are outlined in the Affordable Dwelling Purchase Agreement.
- The purchaser can redeem or "buy out" the equity share at a time of their choosing, but there is no obligation to do so. The **long stop** date is the date after which the local authority may request full repayment of its equity share in your home if it has not previously been paid down through redemption payments. It is set **40 years** after the date of purchase.
- The **minimum** redemption payment is **€10,000**.
- If the purchaser chooses not to redeem the equity share while living in the home, the Council can require the redemption of the Council's equity share when the property is **sold, transferred, or after the death of the owner**. This is known as a **Realisation Event**.

30. How much of a deposit do I need?

You need 10% of the affordable purchase price of the property as a deposit which will be required on exchange of contracts.

For example: for a property with an affordable purchase price of €350,000, you need a deposit of €35,000 ($€350,000 * 10\% = €35,000$).

31. Can I avail of any other schemes in conjunction with the Affordable Purchase Scheme?

HTB:

The Help to Buy (HTB) Scheme helps first time buyers purchase a newly built house or apartment. You can also get it for once-off self-build homes. It only applies to properties that cost €500,000 or less.

It gives a refund of the income tax and Deposit Interest Retention Tax (DIRT) you have paid in Ireland for the 4 years before you apply.

Please note that you cannot use the HTB financial award to purchase a property in this development, as the open market value of the properties exceeds €500,000.00 However, you may use HTB approval to demonstrate that you are a first-time buyer.

First Homes Scheme:

No.

[The Local Authority Affordable Purchase Scheme](#) is different from [the First Homes Scheme](#).

You cannot apply for and use both schemes when purchasing an Affordable Purchase Scheme property.

We advise that you familiarise yourself with both Schemes and that you select the one that is most suited to your needs.

32. Do I have to pay Stamp Duty?

Yes. [Stamp Duty](#) is calculated based on the OMV of the property. You must pay your stamp duty.

33. If I am successful, will I be able to choose which property I want?

As part of the application process, you can select which property type you are applying for. You may select only one property type.

You cannot change the property type you have applied for once you have submitted your application. It is your responsibility to decide which of the property types is best suited to your household's needs.

You may select either:

- 3 Bedroom Mid / End Terraced / Semi-Detached House
- 3 Bedroom Semi-Detached House (Larger Units)
- 3 Bedroom House with Study

If you are successful, and you have received your Letter of Provisional Offer from the Council, your details will be forwarded to the estate agents at **Sherry Fitzgerald**.

The preference of applicants for a particular property and location within the development is based on the confirmed priority of merit following the assessment of applications by the Council.

34. Can I rent out the property?

The Local Authority Affordable Purchase Scheme is provided to homebuyers who intend to make the property their Principle Private Residence.

35. If I want to sell my affordable home, what should I do?

If you sell your property you are required to redeem (buyback) the equity share. If you have not already redeemed the equity in your home, you cannot sell the property without written consent of the local authority. This consent should be requested in writing.

To avoid unnecessary delays, notification should be sent when you are putting your house on the market and the notification must include a proposed minimum selling price for the home and any other information necessary for the local authority to consider the request.
