The resolution in this instance shall indicate in a general way the reasons for the resolution and those reasons shall be recorded in the minutes of the meeting. In such circumstances, webcasting of the meeting will be suspended for so

long as the meeting is held in committee.

- b) Members of the public and representatives of the media will occupy the parts of the Meeting Room allotted to their use. PART 4 – MOTIONS AND AMENDMENTS

20. Scope

This Part applies to motions and amendments submitted for meetings of the Council or any Committee other than Strategic Policy Committees. Reference to An Cathaoirleach includes,

where An Leas-Chathaoirleach or another Member is presiding, that presiding Member. In its application to Committees, references to An Cathaoirleach shall be read as references to the Chairperson or presiding Member at the meeting in question of the Committee concerned.

21. Submission of Motions on Notice

- a) A Member may submit a motion on notice by delivering it to the Meetings Administrator electronically, or, if in writing, signed by the Member, prior to the closing date relating to the business of the Council or the executive functions of the Chief Executive. The latest time for submission of motions for inclusion on the Agenda for meetings of the Council or its Committees shall be 10 a.m. on the ninth clear working day before the date of the meeting.
- b) The Agenda Paper shall contain not more than three Notices of Motion from any one Member, including an adjourned motion. This shall not apply to a Council Meeting insofar as it deals with formal consideration of a Draft Development Plan, a variation of the Development Plan, or with formal consideration of a Local Area Plan, Urban Framework Plan, Strategic Development Zone or similar instrument or an amendment to such an instrument.
- c) Motions on notice received in accordance with paragraph (a) shall be listed on the Agenda in order of their receipt, provided that a second motion by the same Member shall not be listed until every first motion by every other Member has first been listed, and likewise for third motions.
- d) Composite motions (motions which contain a number of issues) submitted on notice shall be divided by the Meetings Administrator and each matter listed shall count as a separate motion.
- e) Any motions which in the opinion of the Meetings Administrator are unreasonable, unsuitable in form, frivolous, or derogatory to the dignity of the Council may be disallowed by the Meetings Administrator.
- f) If any Notice of Motion of which notice has been duly given relates to a matter normally dealt with by a Committee or comes within the terms of reference of any Committee or Committees, it shall be referred to such Committee or Committees as the Meetings Administrator may determine.
- g) Motions submitted by members shall be listed on the Council Agenda with the date of the meeting at which the motion first appeared on the Agenda listed in square brackets after the text of the motion.
- h) A member may change the order of their motions on notice for a Council meeting by writing to the meetings administrator before 10 a.m. on the ninth clear working day before the date of the meeting. The amended order of motions will be reflected on the final agenda. Where a Councillor changes the order of their motions under this clause, their new first motion on notice must be dealt with before another change of order is allowed.
- i) At Plenary Council meetings, a motion on notice may be moved alongside a relevant report on the agenda at the discretion of the Cathaoirleach. The request to move a motion

in this manner must be submitted in writing to the Cathaoirleach and Meeting Administrator by 1.00 PM on the day of the meeting.

22. Submission of Motions Without Notice

A Member may submit the following motions without notice

- A. Motions that require to be submitted in writing to the Cathaoirleach, duly signed and including reference to the exact clause (22A a-i) under which motion is being submitted:
 - a) on any Question for the raising of which no other means are available and in respect of which the conduct or honour of a Member of the Council in his or her relations with the Council is involved. Any such motion shall take the form of a reference to the appropriate Committee for inquiry and report. No Amendment shall be allowed. The mover of any such motion may speak for not more than three minutes. The seconder shall not speak beyond formally seconding; and one other Member to be nominated by An Cathaoirleach may be heard in reply, but no further debate shall be allowed.
 - b) on matters expressly required by Statute to be done at the meeting;
 - c) on matters arising directly out of a report presented at the meeting. At Plenary Council Meetings, where the report is being presented under Parts 4, 5 or 6 of the agenda, the following applies for motions without notice lodged under Standing Order 22(A)c.
 - (i) Each Motion Without Notice must indicate which agenda item it refers, be signed by at least 5 members, and each member may only sign one such motion without notice for each meeting. Such motions must be submitted by Members of the Council to the Meetings Administrator and to the Cathaoirleach on the day of the monthly meeting before 1.00 p.m. (or 4 hours before any alternate time of meeting).
 - (ii) All motions received, with the exception of motions which the Cathaoirleach deems to be contrary to standing orders will be listed in the order they are received, and the list will be circulated to all Members by 4.00 p.m. with the names of the submitting Member(s) omitted from the List.
 - (iii) Votes to allow a Motion Without Notice under 22(A)c will be taken under Cathaoirleach's Business, starting with the first motion on the List. A majority of the Members present in the meeting at the time of voting must vote in favour for a motion to be approved for discussion. Each motion will be voted on until one achieves the required majority. All other motions on the list will then fall. If no motion secures a majority, then the meeting will continue with the business on the Agenda and no Motions Without Notice under 22(A)c will be heard.
 - (iv) The proposer of a motion without notice under 22(A),c may speak for 2 minutes to propose the motion and one minute summing up time at the end of the debate only. All other speakers to the motion may speak for one minute.
 - (v) Where a Motion Without Notice has secured the required majority, but the report to which it refers is not subsequently reached during the meeting, the motion will be resubmitted at the head of the list for consideration at the following Plenary Council Meeting. The requirements of 22(A),c,i will no longer apply to this motion.
 - (vi) Amendments to these Motions Without Notice are not permitted during the meeting.

 - g) for the adoption, amendment or referring back of any report;
 - h) for the purpose of dealing with urgent business related to a function of the local authority. The application for leave to introduce the motion shall be decided upon without debate save in the discretion of An Cathaoirleach. Leave to propose the motion shall be granted if there is no objection to the motion, or, where there is an objection, if not less than half of the total Membership of the Council [20 members] vote in favour of granting leave. If the application for leave is carried, the motion may then be proposed and debated as if due notice of it had been given.
 - i) at a meeting held to consider representations made under Section 13 of the Planning and Development Act 2000, or to make the proposed variation of the Development Plan in accordance with the provisions of Section 13 of the Planning and Development Act 2000, motions to make such proposed variation with or without amendments (including motions for a specific amendment or amendments) as provided for in Section 13 of the Planning and Development Act 2000 may be made without notice at such meeting.

- c) it is not duly seconded and signed by both Members at the meeting.
- d) it is not relevant to the motion.

- f) it commits the Meeting to anything more onerous than the motion.
- g) it is merely negative (such that voting against the motion can attain the same result).
- h) the Member has already moved an amendment to the same motion (but this paragraph shall not apply to any debate on the Development Plan or a draft Development Plan).

- i) the amendment would reverse the effect of an amendment already made to the same motion.
- j) the Amendment is substantially the same as an Amendment to the same motion already lost.
- k) the amendment is inconsistent with an amendment to the same motion that has already been passed.

- e) Where at a meeting of the Council, a motion is called by the Cathaoirleach, and the proposer (or some member authorised by him or her for the purpose) requests that instead of being moved and decided at the meeting, the motion be re-entered for the following meeting, the minutes shall record that the motion is to be re-entered for the following meeting, but the motion shall be listed on the agenda for that meeting and any subsequent meetings at the end of all motions that were listed for, but not reached at, the first- mentioned meeting, notwithstanding Standing Order 21(c).

 - (iii) To move the closure. After a debate has continued for not less than 20 minutes a Member may ask leave to move "That the question be now put" and if such leave be given by the assent of An Cathaoirleach, the motion shall be put without debate save in the discretion of An Cathaoirleach and if carried, any question or questions then before the Chairperson, shall be put to the Council;
