

Dún Laoghaire-Rathdown County Council: Project List Phase 1 Strand 1 of the Community Climate Action Programme

	Lead Partner	Project Name	Overview	Funding Allocation
<b>Small Projects</b>				
1	Dalkey Hillside Estate	Future Friendly Dalkey	Home energy kit, bike rack, bike repair station, materials for community garden, trees and shrubs for mini forest, materials for book exchange, toy swap	€ 5,170.00
2	Fernhill Community Garden	Phase 2: Power, Plant food and structures	Solar panels and related equipment for rainwater harvesting system. Fruit cages and timber for community garden, composting facilities (wormery)	€ 4,850.00
3	Foxrock Area Community & Enterprise CLG (FACE)	Foxrock Goes Green	Bike repair station, leaf mould cages, Reuseable Coffee Cup Project, Community Orchard	€ 14,090.00
4	Sallynoggin Estate Mgmt Committee	Sallynoggin Community Garden	Plants, trees, seeds, tools, bulbs and raised beds for Community Garden and Pollinator Project	€ 12,903.00
5	Wedgewood RA	Edible Estate	Fruit trees and edible fruit bushes	€17,475.00
6	Pine Valley RA	PVRA Tree Planting 2024	Trees, tree stakes, mini digger hire for Pollinator Project and Mini forest.	€1,708.00
7	Meadowbrook RA	MRA Community Climate Change Project	Native trees and fruit trees, composting facilities (leaf mould cages)	€5,563.00
8	Delbrook Park RA	DPRA Environment and Climate Action Project	Fruit and herb garden, pollinator project, mini forest and dispersed orchard	€12,575.00
9	Mount Merrion Community Centre	Pollinator Project	Planting, water butts, composting facilities	€ 1,761.00
10	Kilternan Parish	Gathering Grounds Eco Concern	Solar panels and related equipment	€ 20,000.00
11	St Patrick's Parish	Flourescent Lighting Replacement and LED Upgrade Parish Centre	LED lighting upgrade community building	€ 9,140.00
12	Sandyford Downes RA	Pollinator Project	Shrubs, flowers, compost for community garden bed.	€ 1,490.00
<b>Medium Projects</b>				
13	Meadowvale Tennis Club	MVTC Action on Climate and Environment	Solar panels and batteries for community tennis club.	€ 22,000.00
14	The Bike Hub	Community Cargo Bike Club	Community cargo bike club with different types of cargo bikes for short term use by a broad range of members of the community.	€ 50,000.00
15	Blackrock Community Men's Shed	Climate Action--Solar Panel and Community Garden Project	Community garden to complement the shed's own garden and installation of solar panels on shed.	€ 34,100.00
16	Shanganagh Community Gardens	SCG Climate, Biodiversity, Food and Environmental Strategic Project	Materials for community garden, composting facilities, tool library and installation of solar panels.	€ 27,915.00
17	Airfield Estate	Furthering Airfield Estate's ambition to be Dublin's sustainable food hub	Energy efficiency upgrades (heat pump) and materials for community garden.	€ 27,231.00
18	Wayside Celtic FC	Solar PV Renewable Project	Solar panels installation on club house.	€ 28,519.00
19	Our Lady's Hall Parish Centre	Our Lady's Hall Parish Centre Upgrade 2024	Energy efficiency upgrades (triple glaze replacement roof lights), LED lighting, and materials for community herb garden.	€ 31,972.00
20	Shankill Old Folks Association	Environmental and Energy Efficiency Project	Solar panels and related equipment for adult day care centre	€ 20,500.00
21	Ballybrack Project Centre	Project Centre 2040	Solar panels and heat pump for community building.	€ 43,770.00
22	Dublin Society of Model and Experimental Engineers (DSMEE)	DSMEE Climate Action Project	Solar panels and installation on club house.	€ 25,824.00
23	Stillorgan Rathfarnham RFC	Low Carbon Climate Plan	Solar panels and installation on club house.	€ 25,194.00
<b>Large Projects</b>				
24	Dundrum Methodist Church	2024 Church Climate Action Project	Solar panels, LED lighting, cavity wall insulation for community church building. Eco-garden and bike shelter.	€ 78,869.00
25	Shanganagh Park House and Stonebridge CC	Shanganagh Park House and Stonebridge Climate Action Project	Shanganagh Park House retrofit building with LED lighting, replace exit doors and attic insulation, children's garden planters and bike rack. Stonebridge CC LED lighting and solar panels.	€ 86,333.00
26	Shankill Action for a Green Earth (SAGE)	Shankill Energy and Environmental Upgrade Project	External windows and doors replacement, external wall insulation, roof insulation on community building.	€ 97,958.00
27	Naomh Olaf GAA	Naomh Olaf -Amuigh Faoin Speir	Solar panels on clubhouse, dry urinals	€ 96,090.00
28	Ski Club of Ireland	LED Floodlighting	Replacement of Floodlighting with LED for the Ski Club of Ireland	€ 80,000.00

Total Funding Approved:

€883,000.00
