1. *Supporting and promoting Crime Prevention in DLR*
2. *Enhancing Community Safety & Security in DLR*
3. *Facilitating Community Engagement and Collaboration on Safety Issues*

The 2018 Work Plan was based on the current guidelines and code of practice which apply to JPCs and the Goals/Actions set out in the six-year Strategic Plan.

Monitoring of key safety/security issues in the County

The Chief Superintendent presented an overview of the key policing priorities for the DMR East District at each of the DLR JPC meetings, noting some of the key crime statistics and approaches proposed to address identified priorities.

Progress reports on the JPC Strategic Plan 2016-2021 were provided at each JPC Meeting as well as updates on the LPF Work Plans.

The key highlights and achievements under each Goal in 2018 are as follows:

1. Supporting and promoting Crime Prevention in DLR

Burglaries

An Garda Síochána reported an overall decrease in the number of burglaries in the County by 29% in year-to-date. Operation Thor, involving the use of intelligence-led policing, aims to provide a focused, targeted and integrated approach to burglaries and related offences in the region. The decrease breaks down by sub-district as follows:

Blackrock	- 45%
Cabinteely	- 42%
Dundrum	- 8%
Dún Laoghaire	- 29%
Shankill	- 37%

High Visibility Policing

Operation Crossover is in place to ensure maximum high visibility beats and patrols by An Garda Síochána across the County. All personnel (uniform, plain clothes etc.) are made available for the Operation.

Operation Irene involves AGS working in collaboration with Dún Laoghaire Rathdown County Council and Dublin transport service providers to counter anti-social behaviour by engaging in direct patrolling in the County's public amenities, namely parks and seafronts from May to October Annually.

Operation Tombola is implemented throughout the DMR East during the Halloween festivities. High visibility patrols are deployed to diminish anti-social behaviour and ensure an enjoyable and safe holiday can be observed throughout the Community.

The Community Policing Unit also conduct operations for special events such as the Leprechaun Chase, Safer Communities Week, etc.

Road Safety

There have been no fatal collisions in the DMR East in year-to-date. Operation Artery was successfully deployed within the context of the DMR Roads Policing Operational Plan 2018 focusing on the key 'Lifesaver' offences. 'Safer Roads for Dublin' campaign took place between 1st October and 30th November targeting improvements in behaviour by all road users. This campaign was followed by the annual 'Christmas and New Year Enforcement Campaign' during December 2018 and was to continue into January 2019.

Dún Laoghaire Rathdown County Council provided Cycle Training and facilitated the 'Safer Routes to School' initiative throughout the schools network. Key Cycle Safety Events included:

- Working group has been established
- Key Principles Document under development
- Annual Work Plans prepared for 2019

Through statistical analysis, a trend of cannabis consumption and supply has emerged as the predominant offence amongst Youth drug users. In relation to the number of incidents, as well as the number of youths linked to them, the figures have doubled during 2017 compared to 2016. A further analysis is being requested from Garda Síochána Analysis Service in November 2018 to determine the on-going trend.

The Drug and Alcohol Task Force, alongside Southside Partnership and Dún Laoghaire Rathdown organised a series of Large-Group Participation Workshops to facilitate a networking process for persons who work on the frontline with vulnerable young people. In all, 85 individual frontline personnel participated, encompassing 25 communities, voluntary and statutory organisations in Dún Laoghaire Rathdown. Additional events included an awareness campaign around Hepatitis C and the launch of 'Just Maintaining the Status Quo' Report.
