# Green Dog Walkers®

A friendly way to tackle dog fouling issues

### What's the Green Armband/bag dispenser for?

If you see someone using the Green Dog Walkers® bag dispenser, it means they have "Taken the Pledge"

- to always clean up after their dog
- to carry extra doggie bags
- to gladly give you a bag for your dog – just ask!

### A friendly Reminder...

Green Dog Walkers® is a non-confrontational, friendly way to change attitudes about dog fouling.

### Would you like to take part in the project?

Just read "The Pledge" and return the signed Acceptance Form. We will send you your durable, waterproof Green Dog Walkers® bag dispenser.

### The Facts...

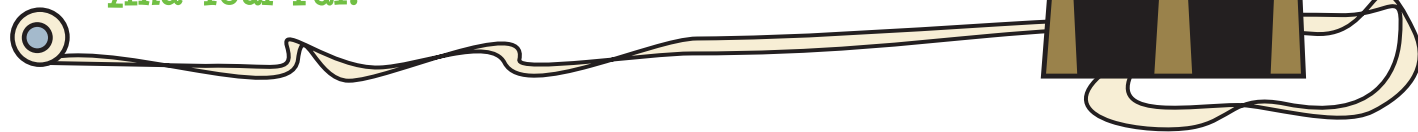

- The Litter Pollution Acts, 1997 – 2009, fines from €150.
- 35.6% of Irish households have a dog.

Did you know that primary school children and footballers are most at risk from diseases caused by dog fouling?

After it has lain on the ground for two weeks, worms develop and these can cause the following diseases: toxacara canis, roundworm, salmonella, E-coli, resulting in pneumonia, asthma and blindness.

However, it IS SAFE to clean it up "on the spot"!

3. I understand that using the bag dispenser indicates that I will carry extra doggie bags to distribute to other dog walkers if requested.
4. I fully understand that Green Dog Walkers® is intended to be a non-confrontational and friendly campaign to change attitudes about dog fouling. At no time when using the bag dispenser will I aggressively confront other dog walkers about dog fouling.
