Although Dalkey is recorded as having received a charter of incorporation by a 1358 enrolment of 33 Edward III its had the smallest record representation of any of the five local authorities. It contains no correspondence or legal material and the fifty-nine items in the collection which date from the first meeting of the Township Commissioners on 17 August 1863 consist almost wholly of minutes and rate books. Included is a Register of Interments for the old Dalkey graveyard 1901-1911 (LA 2/58).
