

Carysfort Avenue Temporary Cycle Route

**Section 38 of the Road
Traffic Act, 1994**

Information Leaflet

**Works are due to commence in
mid July 2020**

Scheme Features

- A temporary cycle track will be provided on Carysfort on the west side (Stillorgan Park to Convent Road 850m) and half of the east side (south of parking near Avondale Lawn to Oakley Park 450m) for a 4 month trial period.
- Quick and efficient installation of a cycle track using cycle track lining and flexible bollards.
- The width of the cycle track will be about 1.5m, reducing to 1.3m near Convent Road.
- Parking on the west side will be removed and parking on the east side from Convent Road to Avondale Lawn will remain.

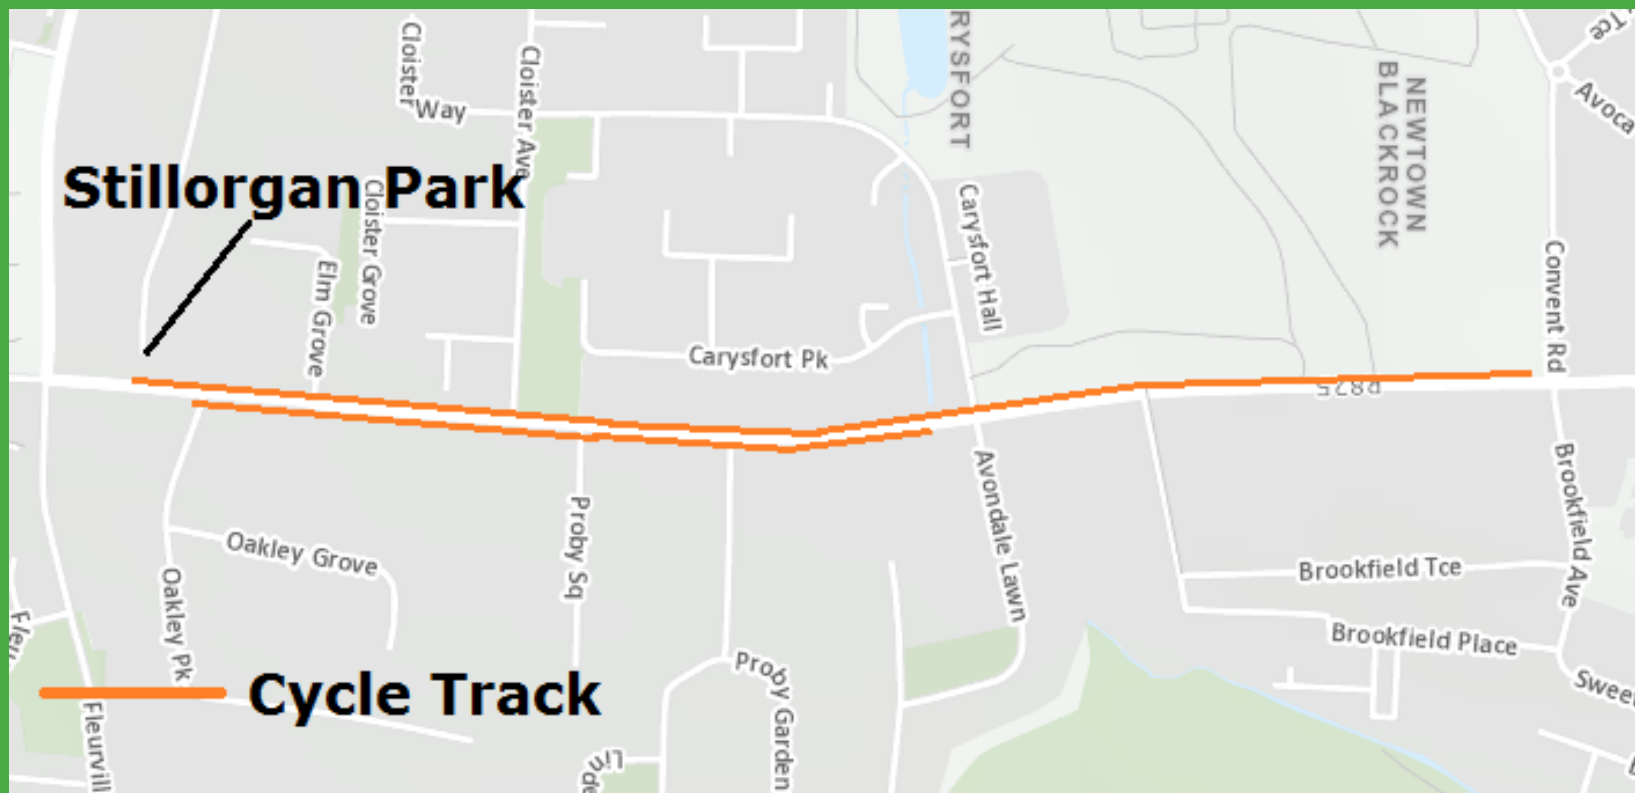

Scheme Benefits

Provide
segregation
for cyclists on
a school
route

Improved
