

# OILEÁN DHEILGINSE

Fáilte chuig Oileáin Dheilginse – láthair atá faoi chosaint i gcomhair a hoidhreachta tógtha agus nádúrtha. Tá tábhacht nach beag ag baint leis an gcaoi a n-iompraímid féin ar na hoileáin ionas gur féidir linn an áit álainn seo a chosaint.

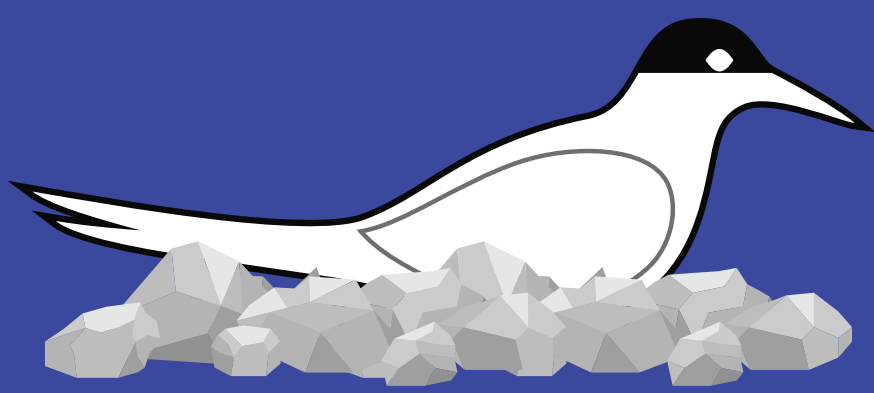

Is Limistéar faoi Chosaint Speisialta (LCS) iad Oileáin Dheilginse (lena n-áirítear Oileán Dheilginse, Oileán na nUan agus Carraig na Maighdean) mar gheall ar na speicis gheabhróige (an Gheabhróg, an Gheabhróg Artach agus an Gheabhróg Rósach) a théann ar an bhfara ann. Tá sé tábhachtach mar sin go dtabharfaimis a ndóthain spáis do na geabhróga le neadú agus le dul ar an bhfara. Bíonn Oileán na nUan agus Carraig na Maighdean dúnta idir mí na Bealtaine agus mí Dheireadh Fómhair gach bliain de bharr go mbíonn Geabhróga ag neadú ann.

# DALKEY ISLAND

Welcome to Dalkey Island – a protected site for built and natural heritage. The way we behave on the island is important so that we can help protect this beautiful place.

Dalkey Islands (including Dalkey Island, Lamb Island and Maiden Rock) are designated as a Special Protection Area (SPA) for roosting tern species (Common Tern, Arctic Tern and Roseate Tern) and it is important that we provide terns with space to nest and roost. Lamb Island and Maiden Rock are closed between May and October as Terns may be present and nesting.
